## Feeling Confident at Pyramid Hill

The Pyramid Hill Football Netball Club is incredibly grateful to the Confident Girls Foundation for investing in the women and families of the Pyramid Hill Football Netball Club.

Through netball, the Confident Girls Foundation is creating opportunities for girls to come together and build confidence, empowerment, leadership, acceptance, and a sense of belonging, helping to transform confident girls into confident women.

With the support of the Confident Girls Program, Rowan, Deb and their committee are incredibly excited to have a senior list of thirty-five women who are pulling on the dress to play under the Bulldogs

banner in 2023. After a couple of lean years on the courts we are even more excited to be fielding teams across all grades of netball this year. How good is that!

Thank you to the Confident Girls Foundation. We know that by providing funding to sporting clubs like ours, girls and women can be empowered to thrive through netball and, overcome barriers to participation.

Catch you at the courts!

## CO-ORDINATOR CATCH UP

Hi Neighbours

Lovely to see so many of you at Pig and Lady Day at Mount Hope last weekend.

I have just returned from a little mini-break between Myrtleford and Bright. Some lovely old friends have a BnB overlooking a stunning valley. I spent a leisurely couple of nights drinking local wine, fancy gin, and snacking on local cheeses; I beat my sister in Scrabble [notice there is an emerging theme?] and just relaxed.

I also made it to the Numurkah Art Show, which was interesting. It was right on the back of the whole of the Moira Shire having their Councillors sacked.. So I wondered.. 'Who is going to open this event?!' We didn't stick around for the speeches though, just had a quick few whips around the artwork and then went to a whiskey bar down the road. Hmm.. I am sensing a theme with the wine, gin and now whiskey.. Please don't jump to conclusions! It was my birthday weekend!

I want to take this moment to encourage you to come in and get your **Power Saving Bonus** - the \$250 rebate from the government for all residences. Please come and see me before the 24th March, bring your power bill, bank details and a smile and I will sort you out in under 10 minutes. If you miss out this time - never fear - there's a new round starting on 27 March.

Neighbours we have had a good success with **Ask and Accountant** on Wednesday afternoons! It's a small group, but they are covering ground each week as far as budgets and simple tips for financial management. I do encourage you to come along.

We are also celebrating cultural diversity next week! On Friday we will have a meeting about our **new look Fiesta!** Hooray! It's been a long time coming - but we are getting excited to plan our next multicultural event together. All are welcome to head along to the meeting at 4pm on Friday at Neighbourhood House to talk about dates, what the fiesta will look like, who will organise it and where abouts we are going to hold it!

Also my friends, if you have small people - whether you are a grandparent, parent or carer I urge you to book into **Safe Seats Safe Kids** next Friday at the Neighbourhood House. Call me for more information!

There's a lot to plan for this Sunday at Mount Hope, so must away!

Kim

## Fiesta Planning Meeting

**4PM FRIDAY 24 MARCH**

Help us plan for our next Filipino/Multicultural Celebration

We will be discussing

- Date for our next Fiesta Event
- What do we want to see at the event
- Planning Committee
- How to reach a broader audience

# FROM THE PYRAMID PRESS ARCHIVES

ISSUE 7 | 26 MARCH 1982

## PYRAMID PRESS

### C.E.P.

The Area Committee are pleased to announce the appointment of Jenny Campbell as their area Co-Ordinator for the "Loddon-Campaspe" region of the Country Education Project.

Jenny lives at Elmore and has an office at the East Loddon P12 School. The area within her network includes:

Pyramid Hill, Lockington, Cornelia Creek, Naneela, Elmore, Goornong, Dingee, Raywood, Sebastian, East Loddon-Civil, Serpentine, Bears Lagoon, Yarrawalla and their surrounding districts.

She can be contacted on (054) 368300 or 368206.

The Committee believe that this appointment will lead to more efficient networks of communication within the area and assist in the organising of locally based programmes such as, technical, craft experiences, music, sport etc.

It is the committee's intention to keep you informed of projects and programmes that have been funded and undertaken by the Country Education Project in this area, now known as "The Loddon - Campaspe CEP Area".

Should you have a group or club that would like to know more about "CEP", Jenny will be only too happy to discuss how best you can use these facilities.

A guitar course for beginners is due to commence on Monday April 19th. This course will run for 10 weeks to be held in St. Patricks School Library each Monday evening beginning at 7.30 pm. This course is available to all age groups of people who are interested in gaining a basic knowledge of the guitar. No background experience is necessary for this course. Also C.E.P. have provided ten guitars to be used by people participating in this programme. Therefore if you have no guitar don't worry, you can still learn. The cost of this course is \$8.00 per person. If you wish to enrol please contact Terry Carroll on Phone 220 or 121.

### PROGRESS ASSOCIATION

ISSUE 7 FRI 26 1982

On the 16th of this month, the Progress Association held its Annual General Meeting.

This week we present the Presidents report. In two weeks we will print details of the general meeting as well as results of some of the latest endeavours of the Association.

It is with pleasure that I present my report on the activities of the Pyramid Hill District Progress Association for the 1981-82 year.

The past year has not seen a great deal in the way of new initiatives proposed by this Association. Our activities have been focused on the continuation on endeavours of a long term nature, such as industry, town drainage and salinity, and also in investigation of various proposals on recommendation which would affect this community.

Our main concern at the moment is in regard to the recommendation of the Public Bodies Review Committee that the control of the Pyramid Hill Urban Water Supply be transferred from the S.R.W.S.C. to a proposed Gordon Water Board, which would be responsible for the Urban Water Supply at both Pyramid Hill and Boort. This proposal would seem to have no advantages at all to the township of Pyramid Hill, and many disadvantages are immediately apparent; not the least of these being the difficulty of adequate local representation, and the probability of greatly increased charges. This Progress Association has made strong representation against the proposal, and is pleased to note the support of Gordon Shire Council.

#### Other matters of importance:

##### INDUSTRY

The on going efforts to attract industry to the disused Butter Factory have not as yet shown visible signs of success. However, negotiations and promotion are continuing and we are hopeful of eventual success. We are indebted to the members of the Development Committee for their endeavours.

##### AIR STRIP

At the time of the last Annual report the air strip was virtually completed. It has now been handed over to Gordon Shire Council.

##### LOW RENTAL HOUSING

This Progress Association has made representation to the Minister for Housing for the installation of reverse cycle

air conditioning for the Low Rental Flats.

There has been little alteration in the position regarding town drainage and sewerage, of the proposed salinity basins during the past year.

##### VIC RAIL

This association continues to make representation to Vic Rail. Our efforts to have the Passenger time table altered to enable travel to and from Bendigo for business or medical appointments, have not been successful as yet. It is pleasing to note, however, that there is no thought of discontinuing the Passenger trains stop at Pyramid. Negotiations between Shire Council and Vic Rail for the purchase of the stock yards appear to have reached stalemate.

##### TELECOM AUSTRALIA

As reported last year, little improvement can be expected in telephone service prior to the change over to automatic exchange. This work has commenced and we look forward to change over later this year.

##### MOTOR CYCLE RALLY

The Progress Association acted as sponsors of a Motor Cycle Rally run by the Ducatti Owners Motor Cycle Club. This rally which was held on the property of Mr. Graeme Stevens was attended by approx. 300 enthusiasts. The conduct of the visitors was exemplary, and the rally was a great success as a promotional exercise for our district.

##### BEAUTIFICATION OF BULLOCK CREEK

The trees which were planted in the Spring of 1980 are doing well. We are indebted to the Gordon Shire for arranging the replanting of those that died and for maintenance and watering. We should now consider implementing stage two of this project this year.

Membership and attendance has been stable but is cause for some concern. Our efforts to increase membership by representation from local organisations met with little success. We must concentrate on efforts to increase our membership in order to be representative of the whole community, as I believe that this is at present a limiting factor in our effectiveness as a Progress Association.

### GEOLOGY ROCKS

#### TALK WITH A ROCK EXPERT

Community members are invited to attend Pyramid Hill College on Friday the 31 March at 3:30pm to talk with rock expert Rodney Boucher.

Rodney Boucher is a keen ore geologist, who has worked in industry around Australia. He has worked in several states giving him many rock stories and samples to share. Rodney specialises in grass-roots exploration - mapping, drilling, geophysics, geochemistry.

Rodney will be hosting a session with students in Year 9 and 10 talking all things 'Fossils, Evolution and Extinction' Friday afternoon. Students, community members and teachers are invited to join us to learn about our local rock story. He has kindly offered his time from 3:30-6pm to chat all things rocks with community members. You might have a cool rock that you would like to know more about or just a keen interest in our local rock formation.

Please RSVP by March 22nd to the PHC Office 54 557 377.

# BOWLS NOTES

The Highlight of the week was the entertainment provided by the Barefoot Bowlers on Wednesday night. They really had to be applauded for their resilience and commitment as the coolness of the evening took over. Luckily for the organizers they could take refuge and enjoy front row seating inside the Clubrooms to observe the play. Such was the enthusiasm of some of the bowlers, the request was put and agreed upon for more social bowls over the next few weeks – not under the umbrella of “Barefoot Bowls” but a modified form of social bowls.

## Barefoot Bowls Report:

The three weeks culminated with the third evening of bowls last Wednesday evening. Once again a few teams found themselves a player short so that their trio became a twosome. A warmup-get-the-feel-of-the-greens-roll saw Grant, Vaughan and Adam immediate winners. This time they did actually receive an award which

included a decent sized Easter Egg. It is understood that Grant kindly donated his award to someone of greater need – (a good choice since his award from a previous week which he left behind or discarded not only earnt him a fine but it reappeared as a second-hand raffle prize). Speaking of raffles, the Bowling Club funds were boosted by the generous purchase of raffle tickets by the Barefoot Bowlers. The prizes were spread across the group but it was Adam

who was the lucky winner of the meat tray (the two left over bbq'd sausages and the crust end of the bread loaf neatly placed in a plastic take-away container). Thanks for being a good sport, Adam – it was extra good fortune that the “meat tray” was paired with a can of coke and a mini bottle of red wine. What a jackpot!!! Darren H., Phil S. and Caleb Q. were identified by the talent scouts as displaying a very proficient and professional delivery style. As well as having their names added to the list of those to be hounded to become members of the Club, they received a couple of raffle tickets which they will be able to use in any draw in Saturday Pennant once they sign up to become members. Fines were handed out to Steve G (photographic evidence in the Press of using a tape to measure closest bowls.

Graeme T bringing along a tape from Miller's Ag to conduct illegal measuring and not donating the measure to the Club, Geoff B scored storage fee for leaving his bowls in storage for a full 12 months at the Club – they were taking up valuable space and collecting dust, Caleb Q. for measuring with his feet and pretending to walk in a straight line, Ally for

borrowing bowls to have a practise but then not using the bowls, Vaughan for aiding and abetting the collection of bowls for Ally.

While the players enjoyed their supper the overall scores were tallied and teams were ranked in order according to matches won and shots up with the following results being announced in dramatic Oscar-like suspense-building atmosphere:

8<sup>th</sup> place (Some might call them losers or wooden spooners but we like to think of them as skill builders showing some if little potential) = Julie's team and receivers of the Woollies bricks and Beechworth bakery wooden stirring spoons.

7<sup>th</sup> place = Lion's Club receiving the Twisties Award. No-one was seen doing the twist but bowls can sometimes send you around the twist.

6<sup>th</sup> place = Teagan's team receiving the Chips Award deemed to be a not so healthy snack. It has been proven that if you replace potato chips with grapefruit as a snack you can lose up to 90% of what little joy you have left in your life.

5<sup>th</sup> place = Miller's Ag team receiving the Life Saver Award.

4<sup>th</sup> place = Tanya B's team receiving the Team Spirit Award. These awards found amongst the Cadbury collection

3<sup>rd</sup> place = Ash's team receiving the Dream Team Award. in most supermarkets.

2<sup>nd</sup> place and Runners Up = Dave M's team. They were

**ASK AN ACCOUNTANT**

**Wednesdays 1pm - 2pm**

Neighbourhood House

Come and learn some tips and tricks from Cheryl and enjoy a light lunch with us!

presented with small cans of baked beans to keep them regular members but also received (or will receive) vouchers from one of our major sponsors, Miller's Ag.

1<sup>st</sup> place and Winners = Geoff B's team who performed strongly each night and scored a total of 5 wins and 58 shots up. They received the coveted Coffee Bank Award.

Special thanks to all sponsors – NAB, Glen Bartels, Miller's Ag and the Coffee Bank. Your support of our Club is truly valued.

Thanks to the Green Keepers who continued their work to keep the greens in great running order. Thanks to Bill for cooking up the bbq each evening, to Carmen and Joe for their help around the greens and in the bar, and to Lionel for mustering the teams and calculating the scores each week. And finally, thanks to all members who pitched in to help out in any way – every little bit of help is appreciated.

**Tournaments at PH – a reminder that we are not quite done yet:** Even though the Pennant Season has almost concluded, there are still tournaments galore to keep players engaged. Our next tournament at PH is on **Wednesday 22<sup>nd</sup> March** commencing at 10:00am followed by another tournament on **Wednesday 5<sup>th</sup> April** again with a 10:00am start. Our last hosted tournament is scheduled for **Sunday 7<sup>th</sup> May** with a 12:00 start. That is the very popular Seafood Tournament. Please put these dates in your diary and keep doing your great maintenance jobs to ensure the place looks fantastic.

**Social Night at the Vic Hotel:** Our next dinner outing supporting our generous sponsor, Paul from the local

**Club Pennant Break-Up:** planned to dine at Moama on 30<sup>th</sup> April, Sunday afternoon. More details to follow. Put the date in your diary.

**Social Bowls:** Wednesday nights. 7:00pm start, please give your names to Lionel, Bill or Marie N.

**Keep Smiling:** I asked my doctor how to determine if an older person should be put into aged care. The doctor replied that there is a simple test – just fill up the bath and hand them a teaspoon, a tea cup and a bucket and ask them to empty the bathtub. "Oh, I see!" I exclaimed. "A normal person would use the bucket because that is bigger and would take less time." "No," he smilingly replied, "A normal person would pull the plug. Do you want a bed near the window?"

## Walsh says our flood victims must make their voices heard at inquiry

Leader of The Nationals and Member for Murray Plains, Peter Wash, is urging locals to make their voices heard at a Victorian Parliamentary inquiry into the 2022 floods. Being heard is just the start on the road to recovery and the campaign to much better prepare the region, and the state, against future flood events.

The inquiry will consider Victoria's preparedness and response to the floods and will look at things such as the flood mitigation infrastructure, government policy and systems to warn the public.

The inquiry will be taking submissions and it is important people in his electorate affected by the floods have their say and get their opinions on the record.

"Unfortunately there were many residents, too many residents, across my electorate impacted by the floods, and I encourage those people to have their say on what worked, and what could be improved on in case we face a similar situation in the future," Mr Walsh said.

People who have experienced the floods firsthand are in the best position to make sure we are more prepared for the future and need to be part of this major government inquiry.

Submissions are being accepted until Monday, May 8 at [new.parliament.vic.gov.au/get-involved/inquiries/floodinquiry/submissions](http://new.parliament.vic.gov.au/get-involved/inquiries/floodinquiry/submissions)

# FOOTBALL NOTES

*Everyone at our club has the right to Be Safe, Feel Safe, Play Safe*

## Junior Football Back on the Park at Pyramid Hill

It's no secret that we are over the moon to have our thirds team up and going again at Pyramid Hill!!

We have invested the highest quality resources into our junior teams as we recognise the importance of juniors coming through to the sustainability of our club and ultimately the Pyramid Hill community.

Junior coach **Bryden Morison** is to be commended for his hard work in making this happen. To have a former Senior Coach and League Best & Fairest Winner not only agree to but be so dedicated and passionate about coaching the Club's future is fantastic! His enthusiasm is contagious as we see new arrivals coming along each week at training

New players are still most certainly welcome; if you or your child are interested please contact Bryden (0408895398) or PHFNC President Bruce (0428557168) for more information

**#bepartofthegamethecommunityandthesuccess**

## From up north

Waratahs Football club will be hoping to break a 23 year premiership drought when they take on Southern Districts in the Northern

Territory Football League grand final this weekend.

Waratahs will be looking to go one better than last year when they finished runners up. Leading the Tahs will be former Pyramid Hill Bulldog junior player Brodie Carroll who will captain the side, Brodie is the grandson of Pyramid premiership player John and in another link to the township the previous

premiership captain for Waratahs 23 years ago was former Pyramid Bulldog player Anthony Hoban. Current Pyramid players James Arratta and Dylan Collis will run out in the red and white while Woorinen stars Arnold Kirby and Marcus Wattie will also play. As well as having their senior team in the grand final their reserves, women's and under eighteens teams will all play off.

## MAYORAL COLUMN

14 March 2023

### Municipal Flood Recovery Committee Meeting

Last Thursday, I attended the Municipal Flood Recovery meeting at the Serpentine Bowling Club where we heard from various agencies on the ongoing recovery efforts so far.

One of the key themes that emerged from the meeting was the importance of collaboration and communication within the various agencies.

Actions were identified that the Committee will be pursuing in the coming months.

Thank you to everyone who attended the meeting and contributed with insights and expertise.

### Time to register your pets

Cat and dog registration time has rolled around again, and renewal notices will be arriving in pet owners' mail boxes in the coming weeks.

Sadly we know there are many more cats and dogs within the Shire which we have no record of, and are unable to return should they go astray.

The simple fact is if a cat or dog isn't micro-chipped and registered they cannot be identified and reunited with their owner.

In the best interests of your pet, your family and the community, please ensure your registration renewal is paid by the due date.

Every dog and cat over the age of three months must be registered. Owners of dogs and cats being registered for the first time with Council are required to provide evidence that their pet has a microchip.

If you have an unregistered pet in your care, please take this opportunity to contact Council and rectify the situation as soon as possible, without fear of penalty.

Further information on pet registration can be obtained by contacting Council's Local Laws team on 5494 1200.

### Kooyoora State Park (Melville Caves) reopened

I am pleased to see Parks Victoria announce that Kooyoora State Park, which suffered significant flood and storm damage has reopened.

Campground, lookout and picnic areas were reopened at 3pm Thursday 9th March.

The following roads within the park remain closed due to storm damage:

- ⇒ Mount View Road
- ⇒ Back Road
- ⇒ Kirwan's Road
- ⇒ Sunday Morning Hills Track
- ⇒ O'Shannessy Road
- ⇒ Some walking tracks

Kooyoora's walking tracks and road networks are the best way to see the natural features of the park. If you follow the meandering paths along the valley and I'm sure you'll marvel at the remarkable granite boulders, rock wells and breathtaking views of the surrounding countryside from the Melville Caves summit and Mount Brenanah.

To stay up to date with reported issues of the park please visit <https://www.parks.vic.gov.au/places-to-see/parks/kooyoora-state-park>

### First Australian Junior Wool Handling title

Laanecoores's Abbey Curnow has become the first Australian to win the Junior Wool Handling title at the Golden Shears Championship in New Zealand.

Abbey has undergone woolclassing training for 12 months and excelled in both the theoretical and practical aspects. Her expertise in this field has seen her named Shearing Contractors' Association of Australia ambassador.

It makes me extremely proud to see our Shire has such talented individuals who excel in their respective fields and make a name for themselves.

Congratulations Abbey.
