## CO-ORDINATOR CATCH UP

Howdy there Neighbours

Congratulations to the 30 students who went through our Agricultural Chemical Users courses last week! It was great to have a variety of students there from gardeners to farmers from across the region. If you have any other ideas for courses you think we need to run, please let me know and I'll try and get it happening!

Have you noticed we have changed our hours up - as a bit of a trial? We will be open on Monday afternoons through June [except for the Kings Birthday holiday]. We will give that a burl and see how we go.

We had a pretty awesome group of kids in here at the House on Monday for our first Kids Night. It was a bit of a success with art, computer games, snacks and high energy catch ups with friends. I love the energy that those happy young people brought to the House, bouncing between activities and chatting away while making a mess.

Ahhh kids. How gorgeous to have our little poster models on the front page this week? It's like a baby outbreak! *We are all wishing our brand new littlest residents and their families a very wonder-filled, happy, healthy and long life.*

So lovely to see so many of you at the Von Mouse Trapp concert

last Sunday at Mount Hope! There's been a bit of von-mouse-trapping in my kitchen these last few days. Somehow I either have quick as lightning mice, or slow mouse traps - because the three I have caught have all been trapped at the elbows or the ankles, and remain alive until I find them. It's not the greatest as far as humane mouse culling.. Especially when I tell you the next step. When I find a terrified mouse half trapped, I call the dog out of her cozy bed and show her.. And then toss the mouse out on the back lawn. Ziggy then spends a good 10 minutes hunting them down, and giving them a little Jack Russell cuddle with her mouth until they stop wriggling. I truly wish someone would herd all these little monsters onto an island somewhere so we didn't have to deal with them in our house or sheds.

On that grim note, my Neighbours  
Come in and see us sometime,

Kim

## BOYS AT VFL PARK

Three Pyramid Hill fourth's footballers, Grant Mooney, Jason Toy and Brandt Kelly, travelled to V.F.L. Park to play in the N.D.F.L. Little League team who represented Geelong, last Saturday. They joined the rest of their team mates at Leitchville and journeyed to V.F.L. Park.

They played against North Melbourne and were successful, winning 3.3 to nil.

Grant, Jason and Brandt all played extremely well in front of a crowd of 25,000 people and should be congratulated for their fine effort. Good luck in the future boys.

## IRRIGATORS ADVISORY BOARD

At a recent Pyramid Hill advisory Board meeting concern was expressed that many irrigators appear apathetic in their attitude towards the general running of their irrigation district and the role of their Advisory Board.

It is hoped that wider publicity given to the function of the Board will help to overcome this and combat the view held by some irrigators that the Board is merely a rubber stamp of the commission.

The Advisory Board makes valuable contributions to the operations of the Commission, to the benefit of all irrigators throughout the district.

The functions of the Advisory Board, set out in State Rivers and Water Supply Commission By-Law No. 5744, are as follows:-

"..... to advise the Commission in regard to:-

(a) the fixing of the times and periods for the supply of water for irrigation to lands in the Board's electorate and the maximum quantity that may be taken under water right at or during any time or period by the owners of occupiers of these lands;

(b) The operation of the Commission's works for the distribution of water for irrigation;

(c) the allocation of water including the rationing and priority of supplies in times of shortage of water; and

(d) any other matter for improving the operation of an irrigation district or area."

Function (d), the "any other matter", is the particular function which gives the Board freedom to comment on a wider range of matters in such areas as capital works programmes, operating costs, water distribution procedures, maintenance and new irrigation practices.

Board members are elected at of an annual meeting of irrigators and all irrigators are encouraged to attend the annual meeting and to keep in contact with their local Board member during the season.

The members of the Advisory Board for the Pyramid Hill Centre in 1981/82 are:-

## SALMON SCARE

Local residents are being asked to check their food shelves for contaminated salmon.

The appeal comes from Northern Health Group health surveyor Mr. Bill Costello who wants people to check their supplies for old 220 gram cans of USA pink and red salmon.

After a contamination scare in February stocks were withdrawn and most brands have since been given the all clear.

But Mr. Costello said that it was possible some of the doubtful cans sold before the clamp-down might still be on pantry shelves.

He added that anyone finding suspect salmon could notify him. "They should not eat it" he said.

The most common suspect cans sold in this area were John West sockeye with the can code SK-13 on the top line of four characters.

Other suspect cans are: John West Pink (K13 in three middle positions of code on top line of five characters). John West Pink (PGM on top line first three characters).

Ally Pink (K13 in three middle positions on top line of five characters). Ally Pink (W First character top line. Bottom line P followed by bomb symbol BLANK 15). Seakist Red (R003 on top line). Ally Pink (PGM or PGN on top line first three characters).

Lunchtime (CD 13 in first four characters in five character code on top line). Lunchtime (P003 on top line). Captain Red (R003 on top line). Socra (MKI (followed by M or P) on top line of four character code. Bottom line-last character four or five).

that the Calivil, Dingee and Tragowel Plains irrigation areas be amalgamated into one consolidated area to be known as the Pyramid Hill District Irrigation Area, to take effect for the 1982/83 irrigation season.

For the purposes of election of Advisory Board members the Calivil, Dingee and Tragowel Plains electorates will continue.

## Round 9 Pyramid Hill vs Newbridge 3 June 2023

### A Grade

Pyramid came out strong and continued their lead throughout the game. Newbridge fought hard but Pyramid Hill came away with a good win. Well done Girls!

Final Score: Pyramid Hill 41 Newbridge 25

Award: Jess Holdstock  
Cobram Estate: Gabby Kennedy

### B Grade

Had a great win today! Had a ripper first half with awesome pressure down the court. From the defence there was vigorous running from the midcourt and accurate shooting from the attack, led to a hard-earned victory.

Final Score: Pyramid Hill 40 Newbridge 30

Award: Taylah Woddward  
Cobram Estate: Jemma McNair

### C Grade

C Grade went out firing and had an early injury with the star shooter Jordy. The team rallied together, Nic was able to step in and moved well. Defence was consistent with getting some clean turnovers. Well done girls, great game!

Final Score: Pyramid Hill 39 to Newbridge 23

Award: Lauren Driscoll  
Cobram Estate: Nic Campbell

### C Res

It was a strong game for both sides! Pyramid did plenty of reshuffling and tried hard to slow down Newbridge. An ankle injury for our beloved Kel, hope it's not too serious!

Newbridge coming away with a win.

Final Score Newbridge 24 Pyramid Hill 42

Award: Kelly Gould  
Cobram Estate: Ash Kielty

### Under 17

It was a hot and windy game for the girls. The doggies came out blazing and won the first quarter. Newbridge held up the fight and were up in the third quarter. With a finals atmosphere, the teams fought until the very end and resulted in a tie.

Final Score: 21 All

Glenn Atkins Award: Carolyn Fergusson  
Encouragement Award: Rose Bone

## Successful 2023 Victorian Sporting Grant Program

Pyramid Hill Football Netball Club was lucky enough to be among the latest Victorian grassroots sport clubs and organisations to receive support from the Victorian Government's Sporting Club Grants Program.2022-2023

The Sporting Club Grants Program is part of the Victorian Government's commitment to make community sport and active recreation more inclusive and accessible, stimulate local economies, build sustainable sport and active recreation volunteer opportunities and increase local participation.

By providing more opportunities for clubs and organisations to build their resources, skills and offer new initiatives, this program goes a long way towards future proofing grassroots sport and active recreation.

PHFNC received \$980.00 from the Sporting Club Grants Program to purchase new equipment.

# FOOTBALL NOTES

## Good Day At The Office For 'Dogs

The round 9 clash saw the Bulldogs host Newbridge, and in windy conditions they were able to claim two of the three football games.

The Under 18's, although well beaten on the scoreboard were able to run out four impressive quarters, and to the delight of parents, family and supporters on the boundary line, posted 6 goals in an entertaining display. A big "win" was the positive noise, support and encouragement from the sidelines. Xavier Emmerson and Riley Hutton both found the scoreboard twice, and also figured in the better players. Harrison Goodes also nailed a goal and was the recipient of the Pyramid Hill Butcher's award due to his efforts and output. Blake Gibson kicked the other goal and was awarded the Ant Free Shearing award. Xavier Emmerson claimed the Bruce Moon President's award and Riley Hutton took home the Good Sports award. Lewis Stubbs, Jacobi Mitchell and Toby Fernandez were also prominent.

The mood around the final "huddle" was very positive and Bryden and Luke are to be congratulated for the great team and club culture they are developing in our emerging group.

The Reserves were eventually able to post a handy victory but were made to earn it by a Newbridge outfit that was prepared to run and take on the game at all costs. Great kicking by both teams in the opening term was a highlight, with the 'Dogs leading by a goal at the first change. Great work in the goal

square by Rowan Pollock saw him capitalise on the great supply that was generated further afield by Tom Nunn, Tom Walker, Connor Gibbons and Dylan Lovell. Seven goals moves Rowan to 32 on the goal kicking table, and a few clear of his nearest rival. The Bulldogs kept the visitors goalless in the "premiership quarter" and with two goals of their own, were able to take a 33-point lead into the final stanza. The win sees the 'Dogs head to the two-week break having consolidated second rung on the ladder. Award winners included Tom Walker (Victoria Hotel), Dylan Lovell (National Hotel) Rowan Pollock (Pony) and Connor Gibbins (Good Sports).

Unlike the Reserves, the Bulldogs Seniors found trouble converting their excellent defensive and midfield efforts, because despite having 42 scoring shots, they finished the day with just 16 goals. The positives were an additional 16% points and the fact that again there was a good spread of goal kickers.

Will Perryman (Victoria Hotel) and Scott Mann (National Hotel) were the award winners, but they had great support from Seb Relouw (goal of the day), Bailey George, Tom Hetherington (first game back), "Dutchy" Holland, (continuing an excellent year) Mitch Dingwall (4 goals), Gav James and Declan Slingo. Players and coaches from both grades will welcome the 2-week break and are hoping that the "injury curse" can abate in that period.

# GOLF NOTES

We commenced our championships and junior program on Sunday. It was excellent to see a large field for the championships, they will continue after the long weekend with the best three scores out of four rounds counted. Sunday was also our second Monthly Medal Round, and the winner was Jed Stewart with 101-36-65. Runner up was John Kennedy with 92-24-68, well done Jed and John! We had 12 juniors for our junior program which will continue for the next four weeks. Please see the clubs Facebook page for more details. Sunday's photo is Don Stewart teeing off on the 11th, the scene from this tee is spectacular.

## Celebrating Netball Milestones PHFNC Style

A crowd gathered at the Mitchell Park courts on Saturday to celebrate the significant achievements of four of our homegrown netball champions. Our current Pyramid Hill netballers showed their appreciation by forming the now famous Pyramid Hill "arch of fame" and, the high esteem in which Chelsea, Jess, Lauren and Gabby are held was obvious to all present.

As a club we are absolutely thrilled to have all four take to the courts in the red, white and blue dress this season and what we also know is, that having you around the Club is helping to inspire and guide the next generation of Pyramid Hill FNC champions. Yeah the girls!

As always, thanks to Deb Dingwall for her work behind the scenes to ensure our players receive the recognition they deserve.

## Murray River Group of Councils meetings

Last Wednesday (31 May), Loddon Shire's CEO Lincoln Fitzgerald and I met with the following ministers in Melbourne as part of the Murray River Group of Councils

Minister Ambrosio – VNI West, Minister Symes – Flood Funding  
Minister Horne – Local Government and Roads

Last Thursday (1 June), saw the Murray River Group of Councils meet in Wedderburn for the Mayors and CEO routine meeting where we spoke about the key priorities of the group and next steps following advocacy at the Federal and State levels.

We heard from Cameron Sutton, CEO of Murray Regional Tourism (MRT) who discussed the current status and priorities of the MRT.
