## Father's Day/Special Friends Day breakfast at Kinder

Dad's and Special Friends spent the morning at the Kinder making memories with the Kinder Kids, the children were very proud to show them around their play space. The morning was spent making puppets, building tall towers, building sandcastles, endless swing pushing followed by coffee and toasted sandwiches for morning tea.

# CO-ORDINATOR CATCH UP

Hi Neighbours

Even though I am missing my little mate Peg, it has been a good week here at the House. The growth of our community garden keeps bringing us joy. We've had another garden bed built and delivered by the Hands on Learning team at the College, and friends are dropping by with plants and produce all ready for our Thursday afternoon Plant and Produce Swap. Our House Handy Fairy, Rob has linseeded our outdoor setting so we are more often outside than working inside lately.

Penny was working flat out organising the community BBQ on Monday, run by Pyramid Hill Progress. I hear it was a great morning, with people from across the district coming in to catch up with mates over a coffee and an egg and bacon bun. Thank you Progress for initiating this event, looking forward to the next one!

Our Scams and Planning for the Future workshops this morning were lightly attended, but wowee they were so interesting! If you would like to learn about where to go to get documents around Powers of Attorney and Medical Decision Makers - I can direct you. Really interesting information.

Another fascinating workshop is coming up on Tuesday 12th September from 5.30pm. *How to save money on your energy bills!* The Bendigo Sustainability Group are keen to share information on the best deals and providers for our region. If you can make it along, please do! We have organised this to be out of business hours to try and entice people to come along.

Another opportunity we are hosting is Anna McGee from Rural Financial Counselling will be at the House to assist with grants and advice for farmers.

Neighbours, if you are reading this..... Please share this news with your friends and neighbours!

Ok my friends, I will finish up with a special wish for my little friend Peg - that she remains strong and well.. And that she remembers that I would like custody of her beautiful orchids..

Until next week.. Kim

## An update on our friend Peggy Cameron.

Peg had a fall at her flat last week, which has resulted in her needing to go into Cohuna Hospital for care. On Saturday she had a minor stroke. By Monday she was back on her iPad terrorising Jan and Rob and her extended family with text messages and demands! Over the last few days, Peg has been visited by many of her family. She's also had a few visits from her dear friend Margaret Reynolds who is currently living in the Cohuna Nursing Home, and they are planning to go out on trips, and have regular card afternoons and catch up on news.

Peg has decided to stay in Cohuna, but wanted to let everyone know she is well, and happy with her decision.

If you would like to send anything over to Peg, we can arrange for items to be taken over with family or with Kim at the Neighbourhood House.

# FOOTBALL

After a tough day at the Office the previous week the Bulldogs 1s and 2s bounced back in emphatic fashion in their respective do-or-die Preliminary finals at Calivil. In ideal “cricket conditions” the Reserves hit the ground running. The scoreboard operator was kept busy in the opening stanza, and with accuracy a key factor in what would eventually be a 50-point victory, the ‘Dogs effectively had the game won at the first change. The first quarter total was equal to what the Eagles would post for the match. Instrumental in setting up the all-the-way win were Jack Woodward at the stoppages, Ashton Dye with strong aerial work all over the ground, and Matt and Brad Moon across halfback. With the “Sherrin” regularly in the forward arc, elusive forward Dylan Lovell (4 goals) and League leading goalkicker Rowan Pollock (3 goals, season total 83), were able to capitalise. It was good to see 6 others hit the scoreboard as well, with an evenly spread load what is required in finals. After the opening term blitz the Eagles sought to limit the damage, and with a spare man in defence were able to temporarily halt the surge. To keep them goalless in the first half would have pleased the coaches’ bench. The second half was an even affair on the scoreboard, but the Bulldogs basically controlled their back-half and kept the Eagles at arm’s length. Youngsters Blake Gibson (1 goal) and Harry Goodes got the chance to display their talents, and had support from Mitch Gunther and Dylan Goulding who controlled respective wings, and ever-green Dave Mann at the stoppages. It was a top win and can hopefully set us up for the ultimate test today. Award winners were Matt Moon (Victoria Hotel), Jack Woodward (National Hotel) and Ashton Dye (Pony Award).

*Lorraine & Pat Dingwall*

In similar fashion to the previous week the Seniors controlled much of the opening quarter, but didn’t make the opposition pay on the scoreboard. Nine scoring shots for just 4 goals was not “value for effort”, and with the Bears nailing 3 majors from as many shots it meant a 9-point margin had left the door ajar as the second term kicked off. The spoils were shared in the second term with a classic arm wrestle on display. Two goals only to both teams had the clash evenly balanced at the main change. Across the ground however the Bulldogs lifted their work rate and the familiar run and carry was back in place. Ten goals to four in the second half meant a hard-earned 50+ point victory was created. Across half back Tom McGregor and Zac Dingwall were instrumental in limiting the Bears as they pressed forward, and Gavin James and Tom Hetherington were able to overlap and set up countless inside

-50’s. Pressure inside the forward arc, led by Zach Alford, Brodie Carroll, Steve Gunther and Scott Mann meant the ‘Dogs got to break the game open. The coaches’ bench would have been impressed with the ability to score more in the second half than the first and the fact that again there were multiple goalkickers; 10 in total. Thirty scoring shots to just 13 was testament to just how much of the game the ‘Dogs controlled in the second half. The Awards went to both ends of the ground, with Tom McGregor (Victoria Hotel) rewarded for secure intercept marking and damage control in the back half, and Zach Alford (National Hotel) for non-stop forward half pressure and attack on the ball.

*Col & Dirk Gunther*

All members and supporters will be cheering today as both teams seek to claim the final win of the season. Let’s get behind our teams, wear the red, white and blue with pride and, win, lose or draw uphold the ideals and values of both PHFNC and the LVFNL’s /code of Conduct. Remember, when you wear our colours you are proudly representing our Club and our community. We look forward to seeing all supporters, members and players back in our Clubrooms after the games.

Go Hill!

# NETBALL

The Pyramid Hill C Grade faced one of the toughest games of the season against Marong. Battling against hot conditions, the girls were able to make a great start and keep the score close. Erin, Chelsea and Loz worked hard in the middle with big Jordy and Jess rewarding with the goals. Our back-line proved strong with Nic and Shaz stopping some capable Marong goalers. Fresh legs at half time with Em and BJ dominating. Even with all our efforts, Marong stayed just enough ahead to make it across the line.

## Dr Rob Gordon to present at Dingee community dinner

I invite the community to join clinical psychologist Dr Rob Gordon at a dinner at the Dingee Hotel on Wednesday 13 September 2023.

Dr Gordon has worked extensively in the field of disaster recovery with people and communities after floods, cyclones, fire and other events throughout Australia.

The community dinner, which gets underway at 6pm for a 6.30pm start, will include free meals, with drinks at bar prices. Dr Gordon has been working in the field of disaster recovery since Ash Wednesday in 1983, and has dedicated his career since to helping communities and emergency services workers recover after disasters. He provides support and insight into the different ways we may find ourselves thinking and feeling as we navigate recovery now and in the future.

I encourage our community to come along to the dinner on 13 September and take the opportunity to hear from Dr Gordon.
