VALE Lloyd Mills

The district of Pyramid Hill lost two notable long term residents in the last few weeks. Lloyd Mills aged 102 a farmer and WW2 Veteran. It's widely known that Lloyd was lucky to make it out of his service alive and for the rest of his life lived with shrapnel in his leg. Locals remember he played cricket until he was 75 or older.

VALE Leigh McCahon

Even though Leigh McCahon wasn't born a local, he believed in bettering our community, and actively served on many committees and groups. He was a member of the Hospital, Football and Neighbourhood House committees, and an active member of the Uniting Church and a mentor to many young people in our town.

Leigh's funeral will be held at Tyndale Uniting Church Pyramid Hill, Monday 26 February at 10.30am

CO-ORDINATOR CATCH UP

Hi Neighbours

Well my friends, what a week we have had with two of our notable blokes leaving us for a higher plane. I did not meet Lloyd Mills, but I must say his reputation as a genuinely nice and uncomplicated man came through loud and clear from dozens of sources over the last few years. One of our most popular Press edition featured his wedding photo on the front cover. If you are into searching the web, stories of his service in the second world war and more come up from several sources. The Loddon Herald covered his birthday and death with stories in recent weeks. I wish his family the best of memories of a life well lived.

Dear Leigh McCahon, I remember meeting him over the first few months when I arrived in Pyramid Hill. He said he didn't want me to feel like he was trying to tell me what my job was, as he had so much history and experience with the House and previous Coordinators. He wanted me to find my feet, but offered any support he could. The last time I saw Leigh, I helped him with a tiny thing.. I connected his hearing-aid via audioloop to his mobile phone. He smiled the widest smile and told me that I had changed his life. He could now talk to his children on his mobile again. He told me *'We waited a long time for you to come along, and you were definitely the right choice.'*

This job has many rewards, but sometimes a particular moment in time, means more than the world. I will remember this moment with Leigh, his kindness and our friendship and remember that small quiet acts can sometimes mean the most to people.

My genuine love goes out to Beth, and her family, and to all the friends of Leigh that are missing him today.

On something considerably brighter, our Art Show opened to a generous crowd. I worked selling tickets and artworks on the opening night. I love the happy vibe that people have when they have made an artwork choice for themselves, or for a friend. Congratulations again, to all the team who have organised the exhibition and competition, the artists Kevin and Terry who ran workshops on Sunday, all the folks who cooked and served morning teas throughout the show. It really works like a machine, this show. All managed by volunteers. How lucky we are to have you all.

We have had a great response to our new website! On the first day we had 76 people access the Pyramid Press online! Do you know you can subscribe to the Press via the website? Just head to the Press page and follow the two step process.

Until next week my friends

Kim

WHAT'S BEEN HAPPENING AT ST. PAT'S?

It's been a big start to the year at St. Pat's with lots of events and activities going on. We had a beautiful opening Mass followed by a social night and a pizza dinner. The children have been putting in a great effort with their swimming lessons in readiness for this Friday's Swimming Carnival, and we all enjoyed the community support for our Shrove Tuesday pancakes raising over \$100 for the Caritas Overseas Aid Agency. We also welcome 2 new staff members to our school, Louise and Chris, who have slotted in beautifully to our community.

Telstra switching off their 3G network on 30 June 2024

Back in 2019, Telstra announced they would be closing their 3G network, which you might also know as the Telstra Next G network. Doing so will allow Telstra to repurpose the 3G spectrum to offer better coverage and reliability on their 4G and 5G mobile network.

On 30 June 2024, Telstra will be switching off their 3G network. The 4G and 5G networks will be available instead and will offer an improved experience. This means if you have a 3G-compatible device, it will not work from 1 July 2024.

Please note: If you're using a medical device to monitor health such as medical alarms, security or other remote safety situations, and they're currently using the 3G 2100 MHz layer, please check for compatibility on accompanying paperwork from the manufacturer, and/or contact the provider of these devices to upgrade now.

BOWLS NOTES

Semi Finals Mid-week Pennant Report

At last the Weather Gods looked down on us in favorable fashion. Gone was the searing heat and strong winds of the previous day, and gracious thanks was given for the 18ml of rain which washed away the dust and added some sparkle to the greenery. The dampness may have dulled the pace of the greens slightly but certainly added to the spectacle that greeted players and visitors alike.

Heartiest of Congratulations to Bill, Joe, Allen and Carmen who put in so many hours of hard sweat and labour to have the place looking immaculate. It really was a credit to them. Our catering crew again excelled and provided great sustenance to those who wanted to partake of the local goods. Thanks to the people who donated items for the raffle, and to the tickets sellers. Thanks to all who supported the raffle by purchasing tickets – eat your heart out Taylor Swift!! Our ticket sales were sky high and resulted in a profitable return for the Club. Thanks to the Bar Keeper, the Master Scoreboard Keepers, the Umpires, the Cleaner and EVERYONE who chipped in to make the Semifinal event such a success. Every contribution was truly appreciated and did not go unnoticed. THANK YOU ONE AND ALL. Hopefully we impressed the Northern District Playing Area for giving us this opportunity to showcase our town and little Club enough to be able to host a final another year.

Results of the day were as follows:

Division 1 Semifinal 2 = Barham 1 defeated Cohuna 1 by 2 rinks and 9 shots up.(69-60)

Division 1 – Semifinal 1 = Cohuna Golf defeated Kerang with 2 rinks up and 12 shots (67-55)

Division 2 - Semifinal 2 = Kerang Golf 1 comfortably defeated Barham 3 58 shots to 33

Division 2 – Semifinal 1 = Cohuna Golf 2 defeated Leitchville 1 49 shots to 45 shots in a match that went to the wire.

We look forward to witnessing the bowlers in action at Cohuna Golf this Wednesday as Division 1 Cohuna 1 v Cohuna Golf 1 play off to meet Barham 1 in the Grand Final next week. Division 2 will see Barham 3 play Cohuna Golf 2 with Kerang Golf waiting to meet the winner in the Grand Final. It should be a day of great competition. The Grand Final matches will be played at Kerang Bowling Club on Wednesday 28th Feb.

Congratulations to Lionel who played in the Preliminary Final of the Northern District Playing Area Champion of Champions. Lionel played magnificently but eventually conceded to his Cohuna Golf opponent, Frank Tresize. You did yourself and your Club proud, Lionel. Roma Opie, who plays Mid-week with Pyramid Hill, but was representing her own town of Leitchville was the Champion of Champion in the women's division. We are very proud of both Lionel and Jean who were our Club representative Champions and who both equipped themselves well.
