SUBSCRIBE at the NEW WEBSITE [pyramidhillhouse.org.au](http://pyramidhillhouse.org.au)

Meet Lizzie Boikos. Lizzie is our Community Programs coordinator and is running Pyramid Cares out of the Pyramid Hill Neighbourhood House. She has a background in education, libraries and developing community programs and ... she loves camels, a love fostered from running a camel dairy during covid! And ... making things, anything from food, craft, gardening, writing a trashy book for giggles and just creating for the fun of it.

Lizzie and her family (partner Simon and son Daemon) moved from Rochester to Pyramid Hill after the 2022 floods. They bought a house and Lizzie immediately started growing vegetables, the overflow she generously and consistently brings to the house. Eating mostly home produce, Lizzie's resourcefulness is ingenious. She's next trying to make zucchini flour as a gluten free alternative to use up the ones she hasn't already bottled, pickled or cooked.

Lizzie's focus on running Pyramid Cares comes from needing care herself. She lives with peripheral neuropathy (nerve damage in her hands and feet that gives chronic pain) and needs extra support to get through her day. She pays it forward by running Pyramid Cares, it's very close to her heart. The program is for people who want support, to gain some understanding, and to come together for a break. There are resources available for respite, travel, accommodation, mental health and more and she wants to connect carers to these.

A carer is anyone looking after someone. It can be you looking after a child, an elderly person, a friend or your neighbour. If you are assisting someone in their day to day life, then you are a carer.

Anyone wanting to join Pyramid Cares or chat about something unusual and interesting, come and find Lizzie at the Neighbourhood House. Pyramid Cares program details are on page 2.

## CO-ORDINATOR CATCH UP

Hi Neighbours,

Lizzie here. I'll be covering the Coordinator's Catchup while Kim has a fabulous few week's break. I may have to tease out a few shenanigan's while she's away - maybe we could get that game of Twister going finally? But really the team will keep things ticking over as usual at the house.

The school holiday program is out now. There's cupcake decorating, coil basket making and air clay sculpture. If you think your school aged kids would be interested, then book them in now. Our usual programs are still up and running so if you need a car booking, some printing done or just a coffee and a catchup, we're here to help.

And if we haven't met yet, please come in and say hello! My family moved to Pyramid Hill at the end of 2022 and while I've gotten to know many in the community through the Neighbourhood House, I'm always happy to meet a friendly face and chat. The problem, sometimes, is getting me to stop ...

Whatever your needs, the house will be operating as normal and we'd love to see you. Come say hi!

'Til next week,

Lizzie

## **Soft Plastics Recycling**

At St. Pat's, we love to re-use, reduce and recycle to help protect our planet. As part of this, we encourage everyone to think about how they can reduce soft plastic waste.

We could all consider using product alternatives that don't include soft plastics. Buying loose fruit and vegetables rather than pre-packaged is a good start or invest in reusable mesh bags.

But sometimes we have no choice, and we end up putting our soft plastics in the bin.

St. Pat's would love to collect and recycle your soft plastics for you. We won't be able to take huge amounts at a time, but if you're able to fill a soft plastic bread bag or two with other soft plastics, please feel free to drop them off at our school, and we'll get them to a soft plastics recycling depot.

**Good for you, good for our town and good for our planet.**

Soft plastics can be easily crunched in your hand.

### **We collect:**

- Biscuit packaging (not trays)
- Bread bags
- Bubble wrap
- Cereal box liners

- Confectionary packets and bags
- Fresh produce bags, incl. string bags
- Frozen food bags

- Plastic film
- Plastic sachets
- Shopping and grocery bags
- Silver lined chip bags

- Squeeze pouches
- Sturdy pet food bag

We were privileged to have Cr Dan Straub attend and to present the Loddon Shire Australia Day awards. School Council President Adam Caspani presented the elected student leaders with their badges and then the College Captains and Sports Captains showed their public speaking skills by leading the assembly. Other achievements recognised at the assembly were the Pyramid Hill Art Show awards, school and interschool swimming awards, interschool triathlon awards and the junior swimming program awards. Robyn Spowart, Stephanie Krings and Isabella Kunde were publicly thanked and presented with a gift in recognition of their commitment to our junior swimming program. The assembly also showcased the strength of Mrs Roger's music program with Tyler P, Fletcher and Kobi and the Year F/1 class performing items. Thank you to all the parents and friends of Pyramid Hill College who attended the assembly and celebrated with us our students' achievements.

# G-MW RECRUITMENT DAY

Kerang Recruitment Day a chance to kick start your career People interested in a career with Goulburn-Murray Water - Australia's largest regional water authority - are invited to a Recruitment Open Day at Kerang on Wednesday, March 20. GMW Manager HR Business Partnering Sophie Riddell said the open day would be a chance to find out more about of the range of outdoor roles that were currently available. "We have multiple outdoor customer service and field officer roles to fill, including some team leader roles," Ms Riddell said. "We'll have staff on hand that are already working with us and who will be happy to provide more information about the jobs, what a typical day involves, and help interested people apply for the roles on the spot." The field officer and team lead positions in the Construction team and Civil Maintenance and Weeds Management teams, are a mix of casual and ongoing

positions with some roles requiring excavator operation and heavy vehicle licences. The customer service roles are ongoing and cover the Swan Hill/Kerang/Gunbower/Pyramid Hill/Dingee/Boort area and while some understanding of the irrigation sector would be beneficial, a positive attitude and a willingness to learn will be well-regarded. "GMW offers great working conditions including flexibility, rostered days off, training and development and plenty of opportunities to progress your career," Ms Riddell said. "If you've ever thought about a career with GMW, please come along." The open day will be held from 2pm to 5pm on March 20 at GMW's Kerang office at 78 Kerang-Koondrook Rd. Registration is encouraged – for more information email [recruitment@gmwater.com.au](mailto:recruitment@gmwater.com.au), phone (03) 5450 5370 or visit the careers section on the GMW website: [g-mwater.com.au](http://g-mwater.com.au)

# BOWLS NEWS

Blimey Teddy! Holy Moses! Crickey! If you weren't at Kerang to have a Captain Cook at the Grand Final of Mid-week Pennant you missed a couple of ripsnorter matches.

Division 1 saw an all mighty combat between Cohuna 1 and Barham. Fair dinkum, mate, it was a cracker of a game! And the Division 2 match between Kerang Golf and Barham 2 was deadset just as enthralling. You shoulda been there to sus it out! Spectators were kept glued to their seats – there was no time to go walkabout. The scores were so tied up all day there was Buckley's chance of picking a winner before the fat lady finally sang.

At the midway mark, when the players went for sangers and smoko, the margins were minimal. Barham had a nine shot lead over Cohuna, while Kerang Golf were marginally behind Barham 2. Fair crack of the whip, it looked like hard yakka keeping focused and not letting the nerves take over! Heads were down and bums were up. The scoreboard keepers were flat out like lizards drinking trying to keep the tallies counted up and displayed. The match play hotted-up as the finishing line approached and there were some shots played that would knock your socks off. Time after time one good bowl would be outclassed by another. There were some rippin' bowls put down. The atmosphere was electrifying and the decibels were rising from the invested crowd (not quite the 100,000 at the AFL GF – but the intensity was a tad comparable, at least). The high fives were flowing, but were a little subdued given the delicate margins.

Both matches came down to the wire. No team was able to claim any sort of ascendancy over another. Highlights were prevalent as the adrenaline kicked in and players lifted to the pressure of each see-sawing game. Both Premierships were dependent upon the playing of the very last bowl. In Division 1, Cohuna had clawed their way back, turning their deficit into a teeny, tiny lead. The first rink to finish showed a win by 3 shots to Cohuna (25-22). The second rink completed their game with a dead heat (27-27). Barham were up on the card but needed to finish the final rink with a bag of 3 to clinch the cliff hanger. The game ended in dramatic style with the kitty being relocated several times and the quintessential Jeff R, playing third) put the team into a no lose position. Despite the end result (21-20) going in favour of Barham, the flag waved in the direction of Cohuna who scored an overall win by 2 shots (72-70). It was time for everyone to breathe again – some gulping in euphoria, others expelling sighs of despair.

In Division 2, scores were tied at 36 shots apiece at the start of the last end of play. The Lead players from both Kerang Golf and Barham had bowls strategically place jack high, with the Kerang Golf bowl looking to be just marginally closer to the kitty than the Barham bowl. And there they remained - with no one being able to improve or move, giving the Premiership to Kerang Golf by one measured shot (37-36). It was a win to Kerang Golf by

the skin of their teeth. Unlucky to be beaten in both matches, Barham players can hold their heads high; no-one threw in the towel, no-one went troppo, no-one spat the dummy. They were great contests – so close but no cigar; now it's back to the drawing board for them.

Congratulations to Couhna 1 and Kerang Golf on winning the Premierships for 2023-24. Onya!! It was a bonza effort and you must be feeling stoked.

**Tournaments:** There is definitely no need for players to go short of a game of bowls if you have the desire to keep playing and keep in touch. Jan (Tournament Secretary) or Carmen (Tournament Scout) can advise on anything coming up this side of the Black Stump.

Most importantly, we still have three tournaments of our own to host.

Sincere thanks to the sponsors for their generosity in the support of our Club.

Naturally, we will be looking for all Club members to contribute to the successful running of each tournament.

**Announcement:** At a recent meeting of the Northern District Playing Area, after consultation with all clubs, the decision was made that the format for both Mid-week and Saturday Pennant for the next three seasons would be the playing of matches for 21 ends with a break at 11:00am for Mid-week and 3:00pm for Saturday.

**Victoria Hotel Dinner:** Our next outing at the Victoria Hotel is planned for Thursday, 21<sup>st</sup> March at 6:30pm. However, as this is a clash with an event in the local hall that evening, I'm looking for feedback re postponing the dinner until either Wednesday or Thursday of the 27<sup>th</sup>/13

28<sup>th</sup> March which is just prior to Easter. Thought please?????

**PHBC AGM:** proposed date is Wednesday, 12<sup>th</sup> June at 7:30pm.

**Congratulations:** Bowlers from the Northern District Playing Area have excelled in the Regional Championships held over the very hot weekend at

Murray Downs, Swan Hill. Among the winners were Marie S. and Roma O. who won their Murray Mallee State triples event in fine style. Roma was also a very gallant Runner-Up in the Ladies Champion of Champions final losing by just 4 shots to her Murray Valley opponent. NDPA bowlers were also victorious in the Murray Mallee State matches in the Ladies' Fours, Men's Triples, Men's Fours. The Barham bowler, Brody H., won the Champion of Champions Men's event by a resounding 16 shots – from all reports Brody had only 1 shot outside the metre yardstick from the 104 bowls he put down in that match. Incredible skill! These talented winners will now head to Bendigo in April to play other State Regional winners. Good luck to all for further success at the next level.

**Keep smiling:** My Doctor told me, I should start an exercise program. Not wanting to do any harm to this aging body, I've devised the following: Monday - Beat around the bush, wade through the morning paper. Tuesday - Drag my heels, make mountains out of mole hills. Wednesday- Bend over backwards, run around in circles. Thursday - Pull out all the stops, push my luck. Friday - Put my foot in my mouth, start the ball rolling. Saturday - Pick up the pieces! Sunday – kneel in prayer and toot my own horn. I reckon I've covered all bases.

And that, folks, is a wrap from me for another Bowling Season (except with the odd need to make timely announcements on occasion). Special thanks to Lorraine who contributed as Assistant Reporter so that all of the notes were not fictional reading.
