## The Victorian State Concert Orchestra (VSCO) in Kerang

Make the most of this rare opportunity to experience a live performance by a renowned orchestra. The VSCO has been entertaining Victorians of all ages, with various tastes, for nearly 100 years. The ongoing purpose of this orchestra is to provide high quality light entertainment that's accessible and affordable, especially to those Victorians in rural and regional areas.

Following the floods in late 2022, the VSCO made an approach to Gannawarra Shire Council with the proposal to perform part of a flood recovery effort. The Shire accepted the offer, and are co-presenting this event with the Kerang Music Society.

If you have never been to a live orchestral concert, this is your opportunity. Children are most welcome!

The program consists of very familiar and loved pieces of music from classical, to music theatre standards, film scores and songs. The 45 member orchestra, under the direction of conductor, Gerald Keunemann, will be supported by two soloists; soprano, Veronica Iredale and tenor, Nicholas Matters. See the flyer opposite for details on how to book!

## CO-ORDINATOR CATCH UP

Hi Neighbours!

**The Biggest Morning Tea** is happening next Thursday 23 May at 11am! We will be actively fundraising for cancer treatment and research, while enjoying a beautiful morning tea spread.

Thank you to all those who are sending in small gifts for the RAMPANT RAFFLE that we will hold at our Biggest Morning Tea next week! There are some stunning things in the mix. A couple of gorgeous rugs, hand sewing, paintings, mugs, wine [alcoholic and non-alcoholic!], toys, books, chocolates. We are still looking for some more donations for the fundraiser however, maybe some plants..?

In 2023 we raised \$1300 which was directly donated to the Cancer Council after our event. The PFNC shaved their heads and raised \$6500 for cancer two weeks ago, we are hoping that we get a name for ourselves as champions for cancer.

In other news, it's Neighbourhood House Week! Celebrate your Neighbourhood House by coming in and having a chat about our neighbourhood - what's missing - what you would like to see. We can do it.

Until next week,

Kim

## This week's happenings at Pyramid Hill College

### ***Calder Winter Sports Day***

Our Year 3, 4, 5 and 6 had a great day out at the Calder Sports on Thursday. PHC students were active participants and provided an inclusive and fair environment for their teams.

Students participated in the following sports:

- Tee-Ball • Hockey • Netball • Newcomb • Soccer • AFL

### ***Girls in Trades Day***

Girls from Pyramid Hill College the hands-on activities and displays at the Trade and Tech Fit Expo at the Convention Centre in Melbourne last week. The Expo aims to encourage girls and gender diverse students to consider careers in all the trades including engineering, laboratory testing, building and construction, animation and technology. Huge transports, SES vehicles, aircraft and forklifts were on display as well as bricklaying and building demonstrations. Institutions such as RMIT, The Gordon and Swinburne were also represented. Funding for the bus was provided through the North Central LLEN.

## Football Notes: Round 5

The trip to our nearest neighbours, the Super 'Roos, was set up overnight with a "decent heavy drizzle" that most Club members from both teams would have fully welcomed. Considering the rain, it was great to see the "Miti Oval" presented in excellent condition as our Under 18's took on Inglewood.

The effort by the Bulldog Pups was a replica of the previous week; full-on commitment and teamwork. By game's end the 7-4-46 total was 1 point shy of our best score for the season; well done boys on a top 4-quarter effort. Again, the boys were undersized, but that didn't detract from the consistency and output all over the field. Harry Goodes continued his excellent start to the year and was still hard at it late in the game. His 4-goal display and leadership on all parts of the ground saw him take home the *Good Sports* award. In a replica of his previous week's excellent effort and attack on the ball, Xavier Emmerson signalled signs of things to come, and claimed the *Victoria Hotel Pizza* award. Hayden Ray, another to show steady development and a growing understanding of the game, won the *Pyramid Hill Butcher* award. It was another top team effort, with Blake Gibson, Mathew Caspani and James Hercott all standing out. It was unfortunate to see one of the Inglewood boys suffer a serious lower leg injury and all at the PHFNC wish him a speedy recovery and hope he can resume his football as soon as possible. Thanks also to members of all 3 Clubs who were quick to respond and offer support.

It was imperative that the Reserves bounce back from the uncharacteristic Round 4 fade out against Bridgewater and, they rose to the challenge. A score of 9-0-54 to nothing first term, had the issue sealed at the change of ends. Kyle Humphrys signalled his return to the playing field with 6 goals, and was joined on the scorecard by Tom Walker, "Nato" Moon and Dolf Reid, who all nailed 3 "majors". Multiple forward forays were instigated by Dylan Lovell, and the "National Hotel Award" was a fitting reward for his dominant efforts. With 3 goals to his name, and numerous effective possessions, Tom Walker "pocketed" the "Victoria Hotel Award". Brad Driscoll, easing back into the season, was calm and steady in the back half, and took home the "Pony Award". For another standout effort across halfback, Matt Moon received the "Good Sports Award". All of his multiple interceptions were well timed and well executed. In another all-team effort, others to catch the eye of the Bulldog faithful included Nathan Moon, Kyle Humphrys, and Greg and Kaleb Quinn.

In a replica scoreboard to the Reserves, the Bulldog seniors had 54 points on the board at the first change. If not for a few missed shots on goal the 14 scoring shots could have seen the margin significantly higher than what it was. It was a dominant opening and made an early statement. The Super Roos were a committed outfit in the 2<sup>nd</sup> stanza and were rewarded with 3 goals, but the Bulldogs were relentless under the leadership of Brad Ladson, Zac Alford, "Skipper" Steve Gunther and Scott Mann through the middle of the ground. Another 7 goals were added and by the main change triple figures had almost been reached. By game's end Brad Ladson's capacity to continually create the overlap and deliver countless effective possessions further afield saw him deservedly winning the *Victoria Hotel Award*". Similarly, Zac Alford was as damaging, with his hard-earned possessions and 5 goals a healthy "return on investment". The "National Hotel Award" was fitting recognition for another top game from "Alfie". Zac Dingwall, now an established intercept and rebounding defender, who also nailed 2 goals, won the "Healthy Mates Award" for yet another standout back-half effort. Others to chip in continuously included Bailey George, Damon Hemphill, Bailey Scott, Lachie Sidebottom, Seb Relouw, Dylan Collis, Jaden Cowling and Ben Knight.

Pyramid Hill have the bye this weekend but If we haven't seen you around the Club for a while feel free to come along to our next home game on May 25<sup>th</sup> when we take on Newbridge at home.

## Netball News

We celebrated the Community Umpiring Round on Saturday, and all wore white armbands, we all stood together and showed respect for the Umpires. We thank all the people who give up their time each week to make sure that those who play netball and football for the Pyramid Hill Football and Netball Club are able to run out with their teams each week. Special shout out to those that volunteer their services on the courts, umpiring is a great way to get involved in the game, to volunteer, keep fit, earn money, develop life skills and make life-long friends. #Respect4Umpires.

**A Grade-** A Grade started off strong with going goal for goal with Miti for the first quarter. Come the second quarter we took charge and got a lead with Jess and Darci in the ring dominating on the score board and not a miss in sight. Third quarter the girls got a little tired but we dug deep to hold on to our 5 goal lead. Imo and Gem through the centre were unstoppable shutting down there free running play. Come the last quarter Abbey and Leesh got some critical rebounds and Miti got within 1 goal but the girls dug deep again to win by 5. Victoria Hotel Pyramid Hill/National Hotel Award: Imogen Broad. Final Score: Pyramid Hill 54 Mitiamo 49.

**B Grade-** With a couple of girls out and a few girls in for us this week, thanks to Shaz, Nic and Imo for helping us out this week, you girls slotted in nicely. The girls started off slow and took a bit to gel and get the usual flow going, with a few positional changes the girls got the roll on and took the lead and kept the ball rolling. Awesome work to Bec for running the second half in Centre and coming away with the players award this week and Mik having another solid game in goal attack. Victoria Hotel Pyramid Hill/ National Hotel Award: Mikayla Burge. "Players Award": Bec Cladingboel. Final Score: Pyramid Hill 50 Mitiamo 33.

**C Grade-** C Grade took the court eager to start strong, working hard at both ends of the ring. Shan and Nic getting hands to everything and Gemma and Jess unstoppable in goals. A third quarter hiccup didn't stop the determination with the girls displaying an impressive last quarter to win by 7. Victoria Hotel Pyramid Hill/ National Hotel Award: Kym Paterson. Final Score: Pyramid Hill 48 Mitiamo 41.

**C-Reserve-** Pyramid tried a few different positions and plays today, showing Mitiamo that we can be versatile. A couple of injuries couldn't stop us, with all girls taking the court and giving it their all, despite a couple of tumbles. Overall, a solid win for Pyramid. Victoria Hotel Pyramid Hill/National Hotel Award: Olivia Turvey. Final Score: Pyramid Hill 38 Mitiamo 22.

**15 & Under-** Under damp conditions the girls found it hard to keep our feet early in the game, but eventually settled into their groove. It was a lovely, clean game where we made a few more mistakes than Miti, and they were able to capitalise on it. All of this gives us plenty to focus on at training. We ended with a loss but to us, it was still a win. Pyramid Hill Store Award: Matilda Kervin. Michell Wool Award: Isla Cladingboel. Final Score: Pyramid Hill 16 Mitiamo 26.

**13 & Under-** A fantastic game from the girls today, we had all intentions of winning when walking out and we delivered. With some great goals and passes we managed to stay ahead all game. By the last quarter everyone had found their groove with intercepts and finding the space secured us the win. Great job girls. Coffee Bank Pyramid Hill Award: Charlotte Emmerson. Final Score: Pyramid Hill 26 Mitiamo 14.

**Minis-** It was a great day for our Minis today. They are really coming along in their skills and putting into play what they have been learning at training. There were some great intercepts and our defenders and attackers played so well, they should be proud of their efforts today. A super proud moment also happened after the Minis game, Olivia and Ellie showed great sportsmanship by helping out Mitiamo's Under 13's Team. Well done Girls. PHFNC Canteen Award: Ellie Dye.

## Pyramid Preschoolers in the Wild!

This term at Pyramid Hill Preschool, we have begun our Bush Kinder program. Research has shown that experiences in a natural environment are extremely beneficial to children's health, wellbeing and development. Originating in Scandinavia in the 1950's, the forest pre-school approach has been used as a framework for Bush Kinder in Australia, where children are encouraged to play in, and learn from, our natural environment.

One day a week, we venture out behind our kinder to bushland. We take no toys, tools or art supplies with us, as the bush experience enables children to play with whatever nature has provided, leaving only their footprints behind. So far, the children have made a home from large branches, drawn using sticks and charcoal from last year's campfire, and discovered a variety of insects, including empty Bardi Grub cocoons that were half buried in the ground. In the coming months, after we have had safety discussions, we will introduce our campfire and begin cooking experiences. Through spending time in nature, our children are learning to care for their environment, notice seasonal changes, and be aware of safety around sticks, fire and insects. We have had many happy, little, dirty faces each week!

## Treatment of submersed aquatic weeds

**During this year's irrigation off-season we'll be undertaking an aquatic weed treatment program to improve flow rates in our channel system.**

In some parts of the irrigation system, submersed aquatic weeds such as Sagittaria, Ribbon weed and Egeria are choking GMW's channels.

The weeds affect water flow, promote silting and cause problems with the automated regulators, which can reduce the ability to deliver water to our customers.

Treating submersed aquatic weeds ensures a more consistent water supply for our customers.

Limited in-season options are available for the control of submersed aquatic weeds. This year, GMW will be using herbicide to treat aquatic weeds in various channels impacted by submersed weeds.

### What will happen?

During the non-irrigation period from 16 May to 14 August 2024 the following will occur:

- Water will remain in the channel system until the end of the irrigation season (last day of the season is 15 May 2024).
- Herbicide will be applied into the static water to treat the aquatic weeds. From the time of application, there is a no water use period which will end prior to the start of the next irrigation season.
- Water will be available for delivery from 15 August 2024 - the first day of the new irrigation season.

### What does this mean for crops and stock?

In diluted form, the herbicide GMW uses has a very low toxicity to humans and mammals, however there is a withhold period that needs to be followed.

Livestock should not ingest the channel water as traces of the chemical may register in their produce.

Horticulture and broad-acre crops must not be sprayed with channel water during this time.

### What you need to do

Before the treatment of your channels, you will need to:

- Make alternative arrangements for winter domestic and stock water supplies as you cannot rely on water remaining in the irrigation channels over the winter period.
- Prevent stock from accessing the channel.

### More information

For more information about the treatment program please visit your local Customer Service Centre or phone us on 1800 013 357.
