# Amended Governance Rules improve question time

Published on 01 July 2025

Loddon Shire Council has listened to community feedback regarding proposed changes to its Governance Rules.

Council adopted the amendments to the rules at its meeting on Friday, 20 June, after changes were released for public comment earlier in the year.

Proposed changes to the rules included expanding the scope of questions allowed during Public Question Time to anything relating to a matter within the duties, functions and powers of Council and that questions must not be on any matter previously responded to by Council in the past six months.

Previously questions could only be asked of matters on the Council agenda and could not relate to any matter previously responded to by Council at all.

While those changes to the Governance Rules were adopted, a proposal to discontinue livestreaming of meetings and instead provide on-demand access to a recording on a Council social media platform was retracted.

Community feedback received largely opposed that change, and Council resolved to continue livestreaming its public meetings with further work having been undertaken to resolve the issues leading to that proposed change.

Loddon Shire Mayor Dan Straub said livestreaming was important for those members of the community who wished to watch council meetings but could not attend in person at the Wedderburn chambers.

"We have resolved an issue which previously caused problems when Councillors who could not attend a meeting had to dial in to the livestream," he said.

"Council is also working on upskilling extra staff to undertake the livestream broadcast, so we have backup staff to do this.

"We thank the community for having their say on this matter, and we have listened."

Council livestreams will also move off the Facebook platform in future and be made accessible via YouTube, enabling permanent retention of past meetings on Council's website so the meetings can be watched at any time in future and made available to a wider audience.

# Demolition process begins for Pyramid Hill building

Published on 30 June 2025

The first steps have begun in the demolition of the former Maternal and Child Health building in Pyramid Hill.

Loddon Shire Council, which owns the building at 30 Kelly Street, resolved earlier this year to demolish the building to enable an extension of the adjacent open space.

The building has been surplus to Council's operational requirements for several years and has been vacant since before 2020. The maternal and child health service will be provided for in conjunction with Northern District Community Health in the new Pyramid Hill Community Centre.

The development of the Pyramid Hill streetscape project provided an opportunity to consider if the building was surplus to Council requirements and if the space created by the removal of the building would enhance the overall amenity of the redeveloped streetscape.

Council was then approached with community proposals to use the building in 2021 and 2023, but neither of those projects came to fruition.

The building was deemed earlier this year to be in a state of disrepair that would require significant investment to return it to a compliant and useable state.

The redevelopment of the area surrounding the building through the recent streetscape project provided the opportunity to consider how the site could enhance the works recently completed.

That work has just begun, with removal of asbestos from the building in preparation for the demolition, scheduled to begin in late July or early August.

The demolition is scheduled to take about five days, with landscaping of the site to follow.

## Council has its say on Victorian Transmission Plan

Published on 27 June 2025

Protecting high-value agricultural land, the wellbeing of our community and ensuring it benefits from any renewable projects are among the key themes of a submission Loddon Shire Council has made to VicGrid's Draft 2025 Victorian Transmission Plan.

Council is directly impacted by two part of the Draft Plan – an area in the shire's north west is part of the North West Renewable Energy Zone (REZ) announced by the Victorian Government recently, while the replacement and upgrade of the 125km Kerang-Bendigo transmission line runs mostly through the eastern part of the shire.

"Renewable energy projects should not be hosted on highly productive agricultural land when there are far more suitable alternatives, while fair financial compensation must be paid to those hosting transmission infrastructure," said Loddon Shire Mayor Dan Straub.

"It is a growing concern for communities, the impost is getting harder and harder for communities to bear.

"In recent days there have been more protests in the northern area and push back against these projects.

"I think we need to make a strong submission about these issues."

In its submission to the Plan, Council stresses that the broad area of Loddon Shire included within the draft REZ is high value and high productivity agricultural land.

The area includes significant irrigated farmland with irrigation infrastructure and it is considered inappropriate for this highly productive food production area to be compromised by any renewable energy project which could be located on less productive and unirrigated land.

Areas impacted by both the draft REZ and transmission upgrade are also communities and individuals who have been impacted by challenging and stressful events over recent years.

These events have included the floods of 2022 and 2023-24, uncertainty about the alignment of VNI West, VNI West being confirmed to impact their property, low rainfall over the past 12 months impacting input costs, introduction of the Emergency Services and Volunteers Fund levy, mineral sands exploration, water buy-backs, and alleged unethical behaviour of commercial entities prospecting for renewable energy projects.

While some of these matters do not directly relate to the draft REZ, it is important to note that resilience of some landowners is a challenge and they may not be equipped to fully engage with this process or have trust that the engagement currently underway is authentic and meaningful.

It is unclear what the process has been to engage with landowners in the REZ directly impacted by this draft plan.

While acknowledging that it is impractical to directly engage with the vast area included in the REZ and also that landowners have property rights to agree or not agree to host projects regardless of inclusion, it would be beneficial to understand if any direct engagement has been undertaken, such as bulk letter drops.

Landowners along the proposed upgrade of the transmission line between Kerang and Bendigo are known. Council seeks VicGrid's assurance that property owners along the transmission easement are directly informed of the proposal to upgrade the existing transmission line, are aware of any impact on their farm business and that fair financial compensation is proposed (during construction and over the asset life).

Council is also stressing the resourcing challenges that transmission and renewable energy projects have upon local government authorities in general.

Council is not the decision maker for any permits as these are considered directly by the Victorian Government.

As a result of this, Council is a referral agency for the permits and is asked to consider the vast body of work associated with the permit application and contribute feedback to the Environmental Effects Statement.

There is no compensation paid to councils for this important work and as such it is subsidised by rate payers as a cost shift.

Through the development of renewable energy and transmission projects, it is anticipated that there will be a significant impact on local roads associated with construction and operating activities.

This impact should be considered as part of the permit process, however there is a cost to Council to ensure that these impacts are adequately captured in the permit, enforcement of the conditions and monitoring.

Council should seek a guaranteed commitment of this road infrastructure being returned to as *new* condition at the end of any project.

There is the potential of significant financial impacts arising from the VTP. These include the infrastructure damage which would require astute management and the potential impact of lost agricultural productivity.

Submissions on the Plan closed on Tuesday, 24 June, with the final Plan expected to be published later this year. An update is expected to be published in 2027 to ensure it keeps pace with any new technologies or power demands.

## SENIOR CITIZENS

Senior Citizens will be held every Friday from 1pm - 3pm in the new Community Centre.

Come along for a cuppa, a chat and play some games. On the fourth Friday of each month we come together for a meal commencing at 12 noon.

If you would like to attend a meal please call Terrence on 0429843479 or Lyn on 0428564006 for catering purposes.

**Next meal will be Friday 25th July**

## Pyramid Hill Memorial Hall AGM

**\*\*NEW DATE\*\***

To be held **Monday 14th July**  
at 7:30pm in the supper room at the  
Memorial Hall.  
All members of the public are warmly  
invited to attend.

## Golf News

### Championship Results 2025

Thank you to those who competed in the championships and congratulations to the winners. Well done to club champion James Ritchie.

#### A Grade

*Champion*

James Ritchie 237

*Nett*

Steven Gibson 220

#### B Grade

*Champion*

Matt Scott 261

*Nett*

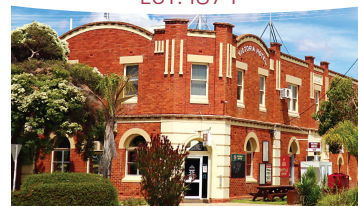

Jarad Smith 209

The club is offering free memberships to new and returning players. With new pin placements on eleven holes and the recent rain providing green conditions, it is an excellent time to come out for a hit.

## Netball

### Mitiamo V's Pyramid Hill Round 12 June 28th 2025

Laura Herbert received the "Good Sports Award", for stepping up, listening and applying feedback, and for having an encouraging attitude, Congratulations Laura. Dot Pollock received the A Reserve "Good Sports Award" for always having a positive attitude and her direction and encouragement on court. Well done, Ladies.

**Minis-** Both teams played a good game, Pyramid had the stronger technique at the end. GK and GD both showed good defence, and WA and WD showed good ball technique a great game had by all, in all positions. Well Done, Minis! Doggy Dollars Award: Isla Hamilton. Pyramid Hill Café Award: Ellie Dye.

**13 & Under-** Pyramid Hill had a great game against Mitiamo, leading from the first whistle and increasing their margin each quarter. The girls worked the ball down the court with confidence and control, using clean passes and strong teamwork. They capitalised on turnovers and played their own game, staying composed throughout. With lots of rotations, every player had a good run and contributed to the team's strong performance. A solid all-round effort- well done, girls! Best On Awards: Pyramid Hill Store Award: Lilly Broad. Coffee Bank Pyramid Hill Award: Sasha Lobb. Final Score: Pyramid Hill 37 Mitiamo 14.

**15 & Under-** The game started and the girls got the lead, it took them the first half to wake up and fight, but once they did, nothing was going to stop them. They fought hard and bet their goals each quarter, which fuelled their fight and pushed them to fight harder. What an excellent game even with many not at their best. A great game and one to remember. Congrats on the win, lovely work girls! Best on Awards: Graeme Hayes Real Estate Award: Emily Dehne. Michell Wool Award: Sadie Kervin. Final Score: Pyramid Hill 75 Mitiamo 10.

**17 & Under-** It was a nice, sunny day in Mitiamo. With everyone here, the girls were in good spirits to verse a strong team. Our defence applying pressure all down the court with our mid court bringing the ball down to the shooters. Despite certain circumstances Pyramid didn't drop their heads and kept fighting, however Mitiamo brought it home. Unfortunately, despite Pyramid's best efforts to catch up only shorten the score. Well done girls, giving your all until the final whistle! Best on Awards: Graeme Hayes Real Estate Award: Alina Gould. Pyramid Hill News and Post Award: Eloise Walters. Final Score: Pyramid Hill 40 Mitiamo 48.

**B Reserve-** Pyramid Hill's B Reserve team delivered a strong performance this week, securing a 51-34 win over Miti. The team set the tone early, taking the lead in

the first quarter and maintaining control for the entire match. Despite facing a tough contest from Miti, Pyramid Hill's depth and versatility shone through. The coaching team trialled several different player combinations throughout the game, which gave a number of players the opportunity to step up in different roles. A solid effort all round and a great result heading into the next round. Best on Award: Victoria Hotel Pyramid Hill Award: Claire Pickles. Final Score: Pyramid Hill 51 Mitiamo 34.

**B Grade-** With a few players unavailable this week, we brought up some talented girls from our other sides who slotted in seamlessly and stepped up with confidence. A slow start saw us needing a wake-up call at quarter time, but from there the team lifted and began to find their rhythm. The girls worked hard to apply what we've been focusing on at training, moving the ball well and supporting each other across every third. It was a great team effort, with everyone contributing and adapting well in a competitive match. Best on Award: Victoria Hotel Pyramid Hill Award: Teagan Stewart. Final Score: Pyramid Hill 51 Mitiamo 34.

**A Reserve-** In the A Reserve, the game started off tight with only a goal in it at the quarter break. Aleesha, Jules and Kym did an outstanding job to shut down Mitiamo's attacking end and were rewarded by Mikayla's accurate shooting. Mia worked tirelessly in C all game and consistently provided drive down the court. Best on was awarded to Jules for her countless intercepts. Best on Award: "Good Sports Award"- Dot Pollock. National Hotel Award: Julia Castaing. Final Score: Pyramid Hill 52 Mitiamo 30.

**A Grade-** It was set to be a good day with 1V2 top of the ladder clash in A Grade. The girls were pumped from the start, coming out firing. Abbey and Sim had awesome tight defence in the ring, making the Miti goalers work hard all day. Excellent pressure down the court from the mid-

### SPLIT FIREWOOD FOR SALE

courters allowing turnovers which were converted into goals. Jess had an amazing game, barely missing a goal, which earned her best on court honours. Unfortunately, the girls went down to Miti by 2 goals, but overall, it was a great game to watch. Best on Award: "Good Sports Award" - Laura Herbert. National Hotel Award: Jessica Holdstock. Final Score: Pyramid Hill 57 Mitiamo 59.

## Pyramid Hill Football Notes

(Round 13 ElVee)

### Under 18's

It was a very competitive opener to the day, with the Bulldog Pups putting on a determined and very spirited display. Five goals was an excellent reward for the improvement that had been building in the previous weeks, and 3 players, including Jacobi Mitchell (Victoria Hotel Pizza) who took on an opponent to do so, and Sonny Battiscombe (Good Sports Award) and Ty Caine (Carroll Family Award), kicked their first goals in Bulldog colours. No doubt they had been fired up by Max with his pre-game joke and captain Hayden Ray who set up 2 goals courtesy of great tackles. Daemon Coussa also put his body on the line at many contests. Matthew Caspani (Mr Morison Award), Taj Pritchard, Ewan Ray were others to run out 4 solid quarters, and Jett Mitchel was all smiles after his first game. We wish Riley Fergusson a quick recovery after a head clash.

We can't wait to see you back on the field Riley. Thank you to the volunteers and supporters for their assistance on the day and thank you to Cam Roulston and the East Loddon team who demonstrated brilliant sportsmanship.

### Reserves

A bout of 'Flu, coupled with niggling injuries meant the Reserves took the ground with a different line-up from the previous week. It didn't take long for the 'Dogs to slip into gear however, and by the first siren a 3-goal buffer was in place. This was stretched out to over 10 goals at the main break. Instigators in the supply to gun forwards Rowan Pollock (8 goals) and Joe McGrath (7 goals and National Hotel) were Dylan Lovell (Pony Award) Kobi Castleman (3 goals and Good Sports) and Jordan Simpson. Across the back fifty-arc Paddy Monaghan (Victoria Hotel) reigned supreme and Skipper Greg Quinn and Ross James were there to mop up in the corridor. It was good to again hear a loud rendition of the Club song

### Seniors

The senior line-up was also knocked around by a combination of 'flu and injuries, but in a repeat of the Reserves first term they had put a tight grip on the contest at the first change. Led by Lachlan Sidebottom (Victoria Hotel), the ruck contests were the source of plenty of drive and momentum. Ben Knight, Archie Hildebrandt and Harry Goodes saw plenty of the ball and Ben Bissett (10 goals and National Hotel) was able to reward their efforts. There was ample rebound supplied by the halfbacks, with Gav James, Brad Ladson and Bailey George finding plenty of the Sherrin.

Today we welcome our valued Major Sponsors, those returning as we celebrate 30 Years in the LVFNL, and also those preparing for the Goods and Services Auction after the game.

We welcome visitors, club members and community members to join us for a complementary meal and a chance to catch up at the Goods and Services function

## ● Poetry in Action

A captivating performance by the Poetry in Action was presented to the students at PHC on June 25. The actors caught everyone's attention and sparked their passion in poetry.

In the afternoon, Year 7 to 10 participated in a hands-on workshop projecting their voices, stepping into roles and discovering how fun poetry can be. It was indeed an unforgettable experience.

Poetry in Action reminded us that poetry isn't just something that we read. It is something we can feel, speak and bring to life.

## ● OSHC Pyramid Hill College

Our **OSHC Program** offers before and after school care. We have 15 places available per session with the option to book on a permanent basis or use the service casually, depending on availability. Government Child Care subsidies are available. For more details please contact Joy at the office.

## Parkrun Event #13

Recap Pyramid Hill Golf Trail parkrun 28 June 2025

Cool and calm conditions – perfect for a walk or run!

Event #13 saw a small but mighty crew take on the 5km course around the base of Pyramid Hill. With 8 finishers in the cold morning, the community spirit was alive and well—thanks to our locals and a few visiting faces.

### Top Finishers:

Cameron Gillespie – 21:16

Alec Miller – 26:16

Trish Soulsby – 34:53

### Thank You to Our Volunteers

We're incredibly grateful to the crew who helped make Event #13 happen: Rachel Cain, Carmen Cauchi, Jason Deller, Kelly Gould, Colleen Hampson, Geoff Hampson, Olivia Hampson, and Mikayla Reid.

Volunteers are the heart of parkrun—thank you for giving your time.

Shout out to Geoff for his portable blow heater! He needed to defrost his fingers to hand out the tokens.

Keep an eye out on our Facebook page for photos and updates for next week's event.

Want to volunteer? We'd love to have you! No experience needed—just a smile and some community spirit.

Join us next Saturday at 8:00am on the hill for Event #14.

*Walk, run, volunteer, or just cheer us on—we'd love to see you there!*

## Congratulations Cec!

News this week that Cecily Farrar has been spotted by Netball Victoria talent scouts at the Association Championships recently.

The Talent Identification [TID] program assesses athletes to be considered to trial for the Netball Victoria Talent academy and Victorian 17/U and 19/U state programs.

Four netballers from the LVFNL were chosen, Cec will join Abby Twigg and Lexi Coates from Bears Lagoon/Serpentine FNC and Ashleigh Medhurst of Marong FNC for further activities - starting November this year.

Wonderful news Cec, we hope to hear about how it all goes in the future!
