Marg returned to Pyramid in the late eighties where she stayed until 2021

She was very involved with the Bowling Club and the Neighbourhood House and loved her country town.

# New Era for Hostel Building begins..

After careful and positive negotiations with Respect Aged Care, Pyramid Hill Progress Association are the current owners of the building that was the former Pyramid Hill Hostel.

The keys for the building were exchanged on 12 August, and the handover was seamless, with little fanfare, but the implications for our town are monumental.

The Progress Executive Team have worked hard on ensuring that this important building has been restored to the community. They also were very positive about all their dealing with Respect Aged Care, and how it was their joint goal that the community take the building to it's next purpose.

The working party that has been created to steer the future of the Hostel building will meet early next week, to discuss immediate next steps - including opening the doors for a community celebration - and scheduling a working bee!

Since taking ownership, the Progress team has already started work. Lighting has been upgraded throughout the facility and the hot water system is being maintained, and is becoming functional again.

Special mention to Drew Chislett, Penny Caspani, Trevor McIntosh, Nev and Michelle for supporting this first hurdle - and getting us to this point - and also being able to negotiate a stamp duty exemption on the deal!

Watch this space for a call to vacuum! Sweep cobwebs and machete the garden!

From the very last day on 3/10/2019 - to the beginning of a new era, 12/08/2025. There's a lot of positivity around this new beginning for our old Hostel.

# On the occasion of Terry Wood's 80th

By Donna Wood

You likely know him as Terry, maybe Terence or  
The Glove  
But to us he's simply Dad or Pa, a man that we  
all love.  
He's clocked up eighty years, it's quite a  
remarkable feat  
So let's share a story and a drink - and for the  
love of God, please eat.  
When his heart stopped twice not long ago, we  
feared he'd fallen short  
And it seemed that such a gathering, could be a  
very different sort.  
He started to write his own speech, but Mum  
was not impressed  
She said '*Terry, it sounds like a eulogy*' and he  
realised she knows best.  
So I've taken some of his words, and I've tried to  
make them rhyme  
His speech put aside of another day - it might  
just save us time.  
From humble beginnings, a life lived off the land  
The effects of war on his Father, often hard to  
understand.  
His Mother - well, she ran a pretty tight ship  
And as we all found out at some stage, you  
dared not give her lip.  
He took those family values, and instilled them  
on his own  
And he couldn't be any prouder, of how each of  
us have grown.  
He'd be the first to tell you, that in Mum he  
struck pure gold  
And how quickly he decided, she was his to  
have and to hold.  
He took his smarts to China, but perhaps before  
his time  
Maybe paved the way for others, who've since  
made a pretty dime.  
But we all know dollars alone are no true  
measure of wealth  
It's family and it's friends, and to hopefully stay  
in good health.  
So to everybody here today - you've made a  
multi-millionaire  
Because a life so full of love and pride, is rich  
beyond compare.

Terry Wood celebrated his birthday with somewhere between 100 - 150 friends and family on the weekend. Some travelling from as far as New Zealand, Thailand and Melbourne to wish him well. Kate, as expected made 600 sausage rolls and numerous other savouries and sweets. Terry would like to thank ALL who contributed to making this day, one of the very best birthdays a man could have.

We had 10 Pyramid Hill Netballers, finish in the Top 10 of every team at the LVFNL Vote Count, that includes a Best & Fairest and a Runners Up Best & Fairest, what a great result. Congratulations to our A Grade girls Morgan Dingwall, Abbey Dingwall and Jess Holdstock. Our A Reserve player, Julz Castaing Congratulations. Our B Grade girls, Bec Cladingboel and Shannon Taylor, Congratulations. Congratulations to Erin Farrar on receiving the Runners Up- Best & Fairest for B Reserve, Well done Erin. And our B Reserve player Claire Pickles, Congratulations. Congratulations to our 17 & Under Alina Gould. And Congratulations to Cecily Farrar on receiving the 15 & Under LVFNL Best & Fairest Award for 2025 we are all very proud of you. Proud of each and every one of you! Well Done, Doggies!!

### Second Semi-Final - Saturday 23rd August at Serpentine.

A Grade- In pristine finals conditions, Pyramid came out firing from the first whistle, taking control early with a dominant first quarter and establishing a 4-goal lead at the first break. Abbey, Sim and Gem played a tight defensive game, intercepting passes and turning over the ball. A powerful second quarter saw Pyramid extend the lead to 10 by halftime. Laura, Amber and Danica ran tirelessly through the midcourt, using their speed and accuracy to deliver passes into the goalies. Jess was able to use her height to great effect, while Morgs impressed with her speed- together they dominated in goals. Heading into the final quarter with a 12-goal lead, Pyramid maintained their momentum and composure to

secure a well-deserved spot in the Grand Final. Awesome game girls!! Congratulations!! LVFNL "Player of the Match": Jess Holdstock. Best on Award: National Hotel Award: Morgan Dingwall. Final Score: Pyramid Hill 66 Mitiamo 49.

### First Semi-Final- Sunday 24th August at Marong.

B Reserve- Going into Saturday's game we had previously won and lost one game each to Newbridge so it was anyone's game. The girls were eager to fight back after the loss last week and boy, did they show it! A great strong game played by everyone! Intense pressure all down the court allowed finger tips to the ball and turnovers. Defenders put Newbridge attack under pressure and the attackers worked hard to make every opportunity count. A very well played team game to progress to the Preliminary Final. LVFNL "Player of the Match": Erin Farrar. Best on Award: Victoria Hotel Award: Chelsea Emmerson. Final Score: Pyramid Hill 52 Newbridge 31.

B Grade- Pyramid Hill came out firing from the very first whistle, setting the tone for a great game. We took the lead early and never looked back, continuing to extend our margin across all four quarters. Our defensive pressure was next level, with Nic's strong rebounding and Bec's long arms creating turnover after turnover, then driving the ball down the court with confidence. It was an outstanding all-round team -performance, everyone played their role and lifted for each other. The win means we survive another week and will now face Marong in the Preliminary Final. Go Doggies! LVFNL "Player of the Match": Bec Cladingboel. Best on Award: Victoria Hotel Award: Nic Campbell. Final Score: Pyramid Hill 51 Newbridge 25.

***Please come along and support our Netballers in the Preliminary Final, at Calivil this Saturday 30th August. Go Doggies!!***

## Football Notes

*And just like that it was done; season over.*

After a promising opening, with goals quickly on the board, the Bulldogs were gradually worn down, and as the second half loomed it was obvious the Woodies could sense a win.

To their credit they went on with the job and proved the superior side on the day. As usual the Dogs had a number of performers who stood out over a tough 4 quarters. Brodie Carroll (Victoria Hotel) was at his creative and elusive best, again, and received assistance from Levi Moss, Jess Buderick and Scott Mann as they tried to penetrate what was a well-knit Blues back unit.

Feeding them at the stoppages was Lachlan Sidebottom (National Hotel) who again rucked, roved, marked and tackled as he tried to keep the Dogs in the contest. He was more than ably assisted by Kai Daniels who was also effective in defence and in the corridor.

The end result was a tough pill to swallow, but once we have cooled down and reflected, we will bounce back and strive for that elusive Silverware in 2026.

Everyone at the Kennel, players past and present, committee and board members, supporters and fans, extend our thanks and gratitude to Nathan Fitzpatrick for his tireless efforts on and off the field, and behind the scenes over an extended period of time. Fitzy is true red, white and blue and we will be forever indebted to him; the welcome mat will not be removed.

To his crew on the bench, Matt Holdstock, Matt Scott, Brad Morison and Sean O'Reilly, Reserves coach Stephen Donat, and the rub-down team of Kalinda, Fionne, Maddy and Annie, and Marie Scott and Leigh Forster the match day marvels, a massive thank you. Also, to Heath Emerson and Stephen Gibson for their umpiring commitment, and Anthony Harris who runs the scoreboard, a huge thank you from all at the Club.

Our players also enjoyed their time in the canteen under the caring and watchful eye of Lorraine Dingwall, and we thank her efforts and contributions as well.

Finally, to all of our sponsors, both big and small, we couldn't do it without your backing, we are genuinely grateful for your support. Good luck to the B-Grade and B-Reserve netball teams today as they strive to join our A- Graders in the Big Dance. Don't forget the Vote Count tonight in the Club Rooms after the final at Calivil. It would be great to see you there and relive the many positive aspects of our year. Our Club also congratulates players from both football and netball on their individual 2025 achievements; Cecily Farrar (15U Netball B&F), Erin Farrar (R/U. B Res

B&F), and Harrison Goodes (2025 Football Rising Star). Finally, the inaugural AFL Footy Tipping Comp was won by Fitzy (154), with Stevey 2nd (152) and Marie 3rd (151).

## Regulator replacement - GMW Media Release

Replacement of the Western Waranga Channel Offtake near Fernihurst is helping highlight Goulburn-Murray Water's efforts to significantly reduce maintenance costs.

GMW Asset Reliability Manager Michael Hehir said the 92-year-old structure needed to be replaced due to its age and the deterioration of its concrete structure.

During the recent irrigation off-season, works to replace the regulator took place including replacing its five flume gates with a new gate system. The regulator now has two flume gates and two undershot slip gates – a first for GMW. Mr Hehir said the combination was expected to provide a significant cost saving. "Over the 30 year life cycle of the four mechanical gates it's anticipated we'll save 25 per cent on maintenance cost," he said.

Mr Hehir said there were several other benefits to the new structure including reduced wear and tear, being able to drain channels better to manage weeds, improving channel flow profile and reducing bank erosion.

He said any one of GMW's 727 sites that have more than one flume gate may fit the criteria to have an undershot gate installed if its concrete structure needed to be rebuilt. GMW Manager Asset Strategy and Engineering Support Shayne Lowe said the business was always looking at innovative ways to reduce costs and drive operational efficiency.
