## Going, Gone..

There are mixed feelings about the demolition of the

Pyramid Hill  
Maternal Child  
Health building  
from our CBD.

In a few short days, the building has been reduced to a pit of broken bricks and concrete. There are plans to turn this space into more lawn over the next few weeks.

### Staying Strong Exercise Group

Did you know there is a regular exercise group that meets at the exercise equipment at Kelly Park each Tuesday Morning at 9.30am?

Dee Smith from Boort Hospital puts the group through their paces in a low stress and high fun environment. One thing the people in the group enjoy is the friendship and support they get while they exercise.

*“It’s always a bit of a laugh on Tuesday mornings!”* Yes it’s been chilly exercising outdoors these last few months, but the group get their hearts pumping with a warm up, a cycle through the equipment and a cool down followed by a hot drink at the Coffee Bank.

*“Age is no barrier!”*

All are welcome to join this group. It's an important investment in your health to keep your muscles strong, and your body supple. Dee is always on hand to modify exercises to the participants abilities.

*“Decreases stiffness and increases mobility”* For further information or self-referral about the Exercise Program please contact Boort District Health on 54515200

## Round 17 -Calivil United V's Pyramid Hill August 2nd, 2025.

"100 Game Milestone" Emily Prout, has become an integral part of our club, highlights are an A Grade Premiership Win, both 17 & Under and A Grade Coach, a true team player on the court and also a C badged umpire. Thank you and Congratulations Em, on this special club milestone.

Minis- This was the last game of the season for the kids, what a fantastic way to finish the season. You can see the development and the growth that the team has shown, well done on being consistent every week. Such strong defending, and great passing in the centre third, the team shot really well. Everyone committed chasing balls and putting hands up. Such a good game, neck and neck the whole day!!! Congratulations Bulldogs!! Great team effort!! Doggy Dollars Award: Athena Wiltshire. Pyramid Hill Café Award: Olivia Scott.

13 & Under- Well what a game that was! We gave it everything both on and off the court and came away with a 6 -goal win. With it even at half time, the cheer squad came alive and got us over the line. The defensive pressure was impressive all over the court being the difference in our ability to turn it over and score. So proud girls! Pyramid Hill Store Award: Asher Irwin-Booth. Coffee Bank Pyramid Hill Award: Xanthe Farrar. Final Score: Pyramid Hill 28 Calivil 22.

15 & Under- The girls worked hard against Calivil. Our defence was on fire and our attack pushed hard in the heat all throughout the game. Despite the loss, the girls played a great game. Graeme Hayes Real Estate Award: Sophie Twigg. Michell Wool Award: Isla Cladingboel. "Encouragement Award": Rian Pantig. Final Score: Pyramid Hill 22 Calivil 62.

17 & Under- Our 17's, were met with a challenging Calivil team. Our girls came out strong and fighting from the beginning and all the way to the end, we all gave it our best and never gave up. Although we came out with a disappointing loss, the scores didn't reflect the way we played. Great game girls! Let's make the last, our best! Congratulations to Alina Gould on her C Badge umpire accreditation, at Calivil. We are all very proud of you. Graeme Hayes Real Estate Award: Ellesha Fergusson. Pyramid Hill News and Post Award: Dempsey Lee. Final Score: Pyramid Hill 25 Calivil 64.

B Reserve- Calivil came out with intensity, but Pyramid hit the ground running with strong connections across the court. Consistent pressure and teamwork helped maintain momentum. Special mention to Kelly Gould for her relentless defensive efforts and to Jess Zimmer for her accuracy and composure in the ring. Pyramid came away with a win in a well-contested game played in great spirit. Another special mention to Kelly Gould, she received her C Badge Umpiring accreditation, at Pyramid Hill. Well Done, Kell you are just Amazing! National Hotel Award: Jess Zimmer. Final Score: Pyramid Hill 58 Calivil 28.

B Grade- What a game! The Bulldogs were on fire and never let up, taking a dominant Win! It was a special day for Em Prout, her 100<sup>th</sup> Club game and what a way to mark the milestone. Em was simply unstoppable through the middle in a well-deserved best-on-court performance. Bec, Shan and Kaity were a brick wall, applying relentless pressure, first-time trio Loz, Gem and Jordy combined, with slick movement and sharp shooting. It was a full-team performance, and a great boost as we head into the final round. Go Doggies! "Good Sports Award" Jess Zimmer plays in B Res but consistently and happily sits on the B Grade interchange. Gives up her time, no fuss, and team first selfless attitude and willingness to help out are what makes our club great. Thank you! Victoria Hotel Pyramid Hill Award: Emily Prout. "Good Sports Award" Jess Zimmer. Final Score: Pyramid Hill 72 Calivil 19.

A Reserve- In a thrilling contest, Pyramid came from behind to secure a hard-fought three-goal win over Calivil. Trailing by as much as seven goals at one stage, the girls dug deep to turn the momentum and finish strong in the final quarter. Defensive pressure was the key, with Aleesha outstanding in Goal Keeper, consistently disrupting Calivil's attacking plays and earning Best on Court. A great team effort and a determined fightback saw Pyramid take the win in a high-intensity clash. National Hotel Award: Aleesha Flanagan. Final Score: Pyramid Hill 43 Calivil 40.

A Grade- Calivil turned on the weather and gave us a glimpse at finals conditions. A strong opening quarter with the girls racking up 21 goals and restricting Calivil to just 8 set the tone for the game. Very pleasing defensive pressure all over the court continued to provide opportunities to convert and secure a high score and big margin. YCW next week sees Abbey Dingwall return after 2 games away and we'll hit our straps heading into finals. Victoria Hotel Pyramid Hill Award: Gemma Scott. Final Score: Pyramid Hill 79 Calivil 32.

We pulled on purple socks for a cause close to many hearts. Our teams wore purple to raise awareness and funds for Pancreatic Cancer, supporting the incredible work of "Pankind"

Congratulations to Kelly Gould on achieving her C Badge Netball Umpiring accreditation. Mandy Dingwall was re-badged as a C Badge Accredited Umpire. And Alina Gould has become the youngest in our Clubs history, to earn her C Badge Umpire accreditation. "Congratulations" and well done on all your hard work.

## Under 18s

In the penultimate game for the season, it was off to Calivil to play the Rams. The boys put in a solid first half, with Blake, Saxon and Cohan (Mr Morison Award) setting the standard, whilst Taj (Carroll Family Award), Kobi, Matthew (Victoria Hotel Pizza) and the Ray brothers continued their great recent form. Jacobi nailed his 5th goal from as many games, Oscar also found the “big sticks”, and Jaxon and Tynan Caine (Good Sports) were very handy over 4 quarters. Unfortunately, the strength of the bigger “Rams” boys wore us down in the second half and another victory eluded us. A special thank you to Nicole and Ray Mitchell who purchased the purple socks for the team (Pancreatic Cancer Awareness), and thanks to Sally for her organisation on the day. Thanks to the Rams for assistance with players, and to the off-field volunteers.

## Reserves

Again, it was a case of player shortage and coupled with the quick jump from the blocks by our hosts it

had us playing catch up football all game. There were a few brief passages where the ‘Dogs were able to take on the game and convert the good work from further afield, but the final siren was a welcome signal. Lucas Walker (Victoria Hotel) worked hard across the ground and was entitled to a shower by games end, and Nathan Moon (Pony Award) was another 4-quarter contributor. Kaleb Quinn (National Hotel) was his usual robust and bustling best across halfback, and Damien Kitchingman (Good Sports) knocked up winning possessions in defence and in the corridor. Others who made an impact included Jack Douch, David Mann, Michael Thompson and Brenton Coates. We look forward to a number of returning players today and can hopefully return to the winners list as we prepare for the finals.

## Seniors

In a welcome return to the winner’s list the Seniors were able to strike early in the opening term, and with run and carry from defence and through the corridor the rewards appeared on the scoreboard. A 50-point first term, mirrored in the second quarter by another 8 goals, saw the result posted early. Leading the way was the returning Harry Goodes (Victoria Hotel and 7 goals). It was great to see Harry use his

explosive pace and penetrating disposal to help set up the win. Skipper Steven Gunther (National Hotel and 3 goals) was another returning team member and his ability to work effectively between the arcs meant quick ball movement was in play. Kai Daniels was again strong overhead and at ground level, and in tandem with Archie Hildebrandt, Bailey George and Brad Ladson, the result was plenty of forward 50 entries. Jordan Simpson in his first Bulldog senior outing capitalised on the quality delivery and slotted through 4 goals. Xavier Emmerson continues to thrive and was another who won plenty of the contested ball. It was great to see the scoring spread (10 goalkickers) and in keeping the hosts below 50 points, the defence was back to what ‘Dogs fans are familiar with. After today’s game, thanks to the Social Committee, we have the Reverse Draw so stay around and catch up with players, members and fans.

Back in January 2024, Jason Deller had a conversation in Washington DC which, little known to him at the time, was about to change things in a tiny Loddon Shire town which is

most famous for a mound that that town takes its name from.

No, it wasn't a high-powered political meeting, but a conference – and that conversation has led to an unlikely but wonderful success story. While there Dr Deller, a resident of Pyramid Hill, met a fellow attendee from Melbourne and they got chatting about home.

"He spoke to me about parkrun, what it was and the benefits and he joked 'you should do one for Pyramid Hill,'" Dr Deller said. "I knew the track around the hill was perfect (with spectacular views) and it met all the requirements. "That was the genesis of the idea. I spoke to parkrun (Australia) and they were very supportive.

"We worked out the course would be three laps, did a risk assessment and spoke with Loddon Shire Council about what we needed to do to make sure they were happy about the track being used for this purpose.

"(Healthy Loddon Campaspe Health Broker) Kate Lawrence was incredibly supportive to get us up and running, seeing the benefit of providing funding to support a free, regular physical activity for the community.

"The only issue I had to come to terms with was making sure we had enough volunteers as volunteer fatigue is a real thing, but we've had a great core of volunteers."

It took about 12 months to come to fruition but since the first event in April 2025, which attracted 73 runners from near and far, the Pyramid Hill Golf Trail parkrun has been a spectacular success story.

There have been hundreds of entrants since that first run, and statistics show that more than 60 per cent have come from out of the region, including as far afield as England, France and New Zealand.

Which has been a great boost to an area home to about 600 people – including local business. Spendmapp data for the area shows at least a 5 per cent increase in economic activity on the previous year.

Janine Worth is the owner of the Coffee Bank coffee shop in Pyramid Hill, a business she bought about 12 months ago. "It's been a very good thing for the town and business," she said. "With parkrun we always get some people from out of town in for their coffee and breakfast after the parkrun and the volunteers call in as well.

"I've had to put on more staff on a Saturday morning and it certainly has made our business busier." Ms Worth said she expected the 21<sup>st</sup> parkrun to "be a big one", a far cry from what she expected a few months ago.

"I don't even think I had heard of parkrun before they had meetings here to get it running and didn't know what effect it would have on my business," she said.

"Being in Pyramid Hill where there is a coffee shop and a café I thought it should benefit it us somewhat. But it's not just on a Saturday morning that the benefits come to local businesses.

Paul Carter is the publican and co-owner of the Victoria Hotel and also manages the Pyramid Hill Caravan Park.

Apart from the boost to the community, he has also seen the boost to business. "We see (the tourists) before the event in people that decide to stay here the Friday night," Mr Carter said.

"They stay here (the pub) or the caravan park, have a meal and a drink and the next morning they go off to the parkrun and then Janine benefits, and you can't move in there sometimes afterwards. During winter we're pretty quiet on the (agriculture) side of things so there's not many workers staying here and this fills up a bit of a void as well."

"It'll be interesting in the spring when the parkrunners and ag workers both turn up," Mr Carter said.

Dr Deller, the run director, said the number of parkrunners was "unreal" and some stayed on to visit other parts of Loddon Shire and the wider region in general.

"Paul and Janine would really notice that. We know people are coming to town and enjoying the town and would never have come to Pyramid Hill if not for the parkrun – they tell us 'we didn't know where this place was'.

"For a small community it's been really a joyful experience – even in winter when it's been really cold and we know in summer there'll be more people.

"Everyone that goes to the event is happy and smiling so socially it's really good.

"We know the health benefits of parkrun but in many ways that's not the biggest benefit – it's the social benefit of interacting in a community environment, and they're all ages too, from 5-6-7 year-olds to people in their 70s.

"It's not just 30-40 year-olds, it's a huge range of age groups. There are also runners whose whole holidays are based on parkrun because they'll know they'll meet people there – it's quite a subculture.

"It's been really good for the town and it's not going anywhere – it's here to stay."

The Pyramid Hill Golf Trail parkrun takes place every Saturday from 8am. For more information please visit <https://www.parkrun.com.au/pyramidhillgolptrail/>.

**The 21<sup>st</sup> parkrun is scheduled to take place on Saturday, 23 August.**

### —● World Principal's Day

Friday 1<sup>st</sup> of August is World Principal's Day. We are extremely lucky to have two of the best hardworking and dedicated Principals at Pyramid Hill College. Mrs. Moon and Mr. McCann always have the best interest of our students, staff and our school at heart. The whole school celebrated with a cake and some kind words from our school leaders.

## Opportunity for University Students for Work Placement in Regional Victoria

GMW's Undergraduate Placement Program offers a supportive and professional environment where aspiring young professionals can gain real-world experience, build new skills and make valuable industry contributions.

GMW Talent Acquisition Partner Hannah Riddell encouraged university students to consider applying to work at GMW over their summer break.

“Students can add practical experience to their resumes, which can help them later down the track,” she said.

“It’s also a chance for GMW to show what opportunities are available in the local region without having to move to the city.

“Some of the placements on offer could be in teams like Legal, People, Culture and Safety, Business and Finance and Engineering – we’re really proud to be able to offer opportunities for local employment.”

The program is run over the summer university break from November to February, and expressions of interest are now open. For more information, go to [www.gmwater.com.au/careers](http://www.gmwater.com.au/careers)

## SENIOR CITS SNIPPETS

There was a very good attendance at our social afternoon last Friday when we held the usual special occasion for Mr.Les Forbes' 80th birthday. Mr.Forbes responded to president, Mrs.Ryan's congratulations in a very able manner before blowing out the candles and cutting his birthday cake.

Mr.Forbes, fittingly, also won the weekly competition.

The cards at night attracted twenty six players and winners were Mrs.Doyle and Mrs.Carroll with 10 games each. Mrs.Lucas won the competition.

At the halfway mark the aggregate competition now has two leaders, Mr.Walder, and Mrs.Doyle, both with 37 games.

Card players are reminded that there will be no cards on Good Friday night: they will be held on Saturday night, April 6th. It will be a special night with admission 60c with prizes for every game besides winners and runners up. donations of small prizes would be most welcome.

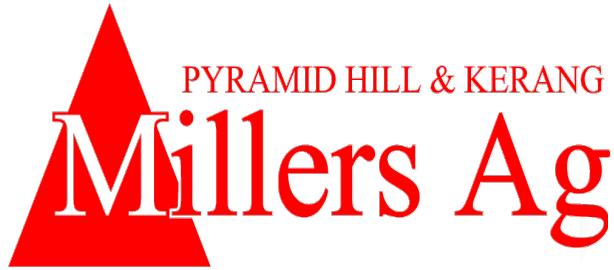

As we are hoping that a large crowd will attend we would like our ladies to bring two plates; one of sandwiches and one of cakes.

The only birthday listed for this week is that Mrs.Isobel Broad and we all wish her happiness and good cheer for her day next Monday, April 8th.

Our get together for this week is Thursday, April 4th when bingo will be played. Hostesses are Mrs.Gwen Broad and Mrs.Hampson.
