Warren Davies, The Unbreakable Farmer is coming to Pyramid Hill!

Friday 19th September PHFNC Clubrooms
Free BBQ Tea from 6.30pm

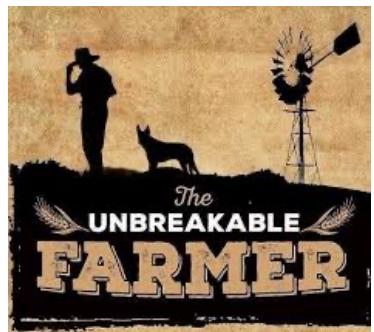

Resilience, Persistence and Determination are the words to describe Warren Davies. His keynote topics centre on resilience; persistence; determination; leadership; and wellbeing. Plus, their moral relevance to all ages and communities.

Warren's ability to engage with individuals or organisations is through the journey of him piecing back together his life and the learning of life lessons he learnt along the way.

Warren's authentic, inspiring and sometimes confronting presentations are filled with take home strategies! They stem from his business and life journey. His audience can implement these strategies in their day to day life to overcome challenges or pick themselves up and keep moving forward.

Warren's message is simple and so very important. Particularly, at a time when stress is seen as normal, and depression is commonplace.

Warren will change the thinking and behaviour of your most precious resource, your people.

Vale Margaret Guthrie

The Pyramid Hill Bowling Club salutes the integral part Margaret played over many years as she enjoyed membership with her local Club. As well as being a very skilful bowler, Margaret held senior positions of responsibility including Chairperson or President of the Board of Management and the Ladies' Committee. Margaret's talent for bowling is evidenced, and held on record, amongst many shields, trophies and photographs displayed in the Clubrooms. Notably she was a team player being successful in winning Premierships, and also coming Runner Up, in Pennant Competitions. She is also recognised as being a winner in Pairs, Triples and State Fours events but, perhaps of even greater notoriety is the fact that she won the Ladies' Club Championship on six occasions. Over the years, Margaret invested a great deal of her time and energy to the sport of lawn bowls and one of the shields on display highlights the appreciation of the VBLA Squad for her work beyond the local Club.

At this sad time of her passing, the Pyramid Hill Bowling Club extends sincere sympathy to her family and friends, while at the same time recognising that the Club has lost one of its own family members.

RIP Margaret.

Military Collection Grows with one more Chair at our Table

Pyramid Hill Historical Society were recently visited by Dr Sharman Stone - former Member for Murray 1996 - 2016.

She presented her grandfather's RSL chair to Historical Society president, Trevor McIntosh, to add to our collection.

(Alfred) Hayward Bawden, father of Harvey, served with the 4th light horse in WW1, earning a Military Medal for his exploits.

The chairs were purchased by individual RSL members after the RSL Hall was built in the 1950's, where they were used by members attending meetings and functions. Around 20 years ago the RSL folded as there were not enough active members left.

The Hall was moved to Kelly Street from Victoria Street to become part of the Museum, and the named chairs were offered to the families of past members. These were kept in the home, or later on relegated to the verandah or woolshed.

One by one over many years, a number of them have been returned by family members, and hold a place of significance in our military collection in the RSL hall.

VICTORIA POLICE

A message from your local officer – with thanks, gratitude and insight.

Today, I want to take a moment to express my gratitude – both personally and professionally – to the people who make this community what it is.

Firstly, I want to thank everyone who has reached out with kind words and tributes following the tragic loss of two colleagues last week. Policing can be a tough and sometimes isolating job, especially in a small town, but your messages of support and compassion have meant a great deal. They have been felt not just by me, but by all Police members across the state.

It's during moments like this where community spirit really shines through, and I thank you for that.

Secondly, as September marks my first anniversary in Pyramid Hill, I want to say thank you for the warm welcome my family and I have received since moving to Pyramid Hill. Settling into a new town can be daunting, but we have felt embraced from the very beginning. It's been amazing meeting so many lovely community members and if we are yet to meet, we look forward to that also. Whether it's a wave in the street, a chat at the shops, or helping us get to know the area, you've made us feel like we belong, so thank you.

Lastly, I'd like to talk about something that is vital in keeping Pyramid Hill a safe place:

Information sharing. In a little town like ours, YOU know what's going on sometime, long before I do! Sharing that knowledge can make all the difference in preventing, detecting and resolving offences.

If you ever have concerns, suspicions or useful information but feel unsure about speaking to me directly, Crimestoppers is a fantastic and fully confidential option and can be reached on 1800 333 000 or via online reporting. If any relevant reports are submitted to Crimestoppers I will be notified, but your identity remains anonymous. That being said, if you do lodge a Crimestoppers report and you're comfortable in doing so, I'd encourage you to let me know. That extra context can help guide further conversation and action – all while still respecting your privacy and decision making.

Together, we can continue to keep Pyramid Hill the safe and welcoming community it is.

Whether through a conversation, a Crimestoppers report or a simple heads-up, every bit of information counts.

Thanks again for your support, your trust, and your partnership.

Stay safe,

Brett VINE

Thank you to our Netball Ops Leanne Gibson, committee members, board members, kitchen ladies and to all the parents out there, to everyone that has committed their time for the Club to run and function.

Thank you for all your hard work, support and dedication over the season. Thank you to all our sponsors the Victoria Hotel Pyramid Hill, National Hotel Bendigo, The Coffee Bank Pyramid Hill, Pyramid Hill News and Post, Pyramid Hill Store, Pyramid Hill Café, Michell Wool and Graeme Hayes Real Estate, thank you for all your support.

Thank you to the Pyramid Store for supplying the oranges each week for the junior netballers, thoroughly enjoyed by all the girls. Congratulations to all our Award Winners, from Saturday night and thank you to Dee Simms and Kel Stewart and all the helpers in the Kitchen for a lovely meal. Congratulations to Cecily Farrar, Erin Farrar, Harrison Goodes and our A Grade girls Jess Holdstock, Morgan Dingwall and Abbey Dingwall and our Senior footballers Gavin James, Ben Bisset and Kai Daniels on receiving all your Awards at LVFNL Gala Dinner, such outstanding achievements. To add to the Celebrations the U18's are running with the help of the U17's, a "Nearest to the Pin"- Golf Hit Out. Costs \$1.00 a Go! Out on the Footy Ground if everyone could get around and support the kids that would be amazing, thanks. Let's Celebrate this wonderful 2025 Football Netball Season.
GO HILL! # Bulldogs 2025 #Good Luck Girls!

Preliminary Final 30th August 2025 at Calivil.

B Grade- Pyramid Hill and Marong battled it out in a nail-biting Preliminary

Final, that went right down to the last few minutes. The Bulldogs led by one at quarter time before Marong hit back to take a three-goal lead into half time. In the third, Pyramid Hill turned the tide with relentless defensive pressure and composed shooting, swinging momentum to hold a five-goal advantage heading into the final break. Marong fought hard in the last quarter, but the Bulldogs held their nerve. Impressive team defence created crucial turnovers, while the goalers stood tall in windy conditions to seal a three-goal win. A gutsy team effort that sees the Bulldogs through to the Grand Final. Let's Go, Doggies! "Player of the Match": Jordann Broad. Victoria Hotel Pyramid Hill Award: Shannon Taylor. Final Score: Pyramid Hill 46 Marong 43.

B Reserve- It was a thrilling Preliminary Final, with everything on the line as we fought for a place in the Grand Final. Despite having never beaten Bridgewater before, we knew they hadn't faced our full-strength team. The game got off to a rocky start, but the team quickly found its rhythm. Steady play and excellent teamwork allowed us to build momentum. The pressure was on Bridgewater, and they were forced into making changes to their team. With each quarter, we extended our lead, making it increasingly difficult for the opposition to mount a comeback. By the final whistle, we had secured the win and a hard-earned spot in the Grand Final. **Bring on the big game. Go Doggies!**

Libraries More Popular Than Ever

More loans but fewer in-person visits (though that's not all that it seems) – that's the story for Loddon Shire's libraries.

Data from the latest Library Services Quarterly Activity Report shows Loddon Shire residents borrowed 40,414 items from the library service in 2024-25, a whopping 12,217, or 43 per cent, more than the previous year.

Library services in Loddon Shire are run by the North Central Goldfields Regional Library Corporation (of which council is a member), with agencies in Boort, Dingee, Inglewood, Pyramid Hill, Tarnagulla and Wedderburn. About 15 per cent of residents are library members.

While the number of loans increased – largely attributed to increased usage of the eLibrary, as well as an auto-renewals system set up in November 2024 – the number of in-person visits to Loddon Shire library agencies fell slightly to 15,054 for the year, down 336 on 2023-24.

The popular Pyramid Hill Library Agency is run out of the Neighbourhood House in Kelly Street.

That was also partially attributed to the auto-renewal system, meaning patrons no longer need to visit the library as frequently to renew items.

Other highlights included 63 new Loddon library members and an increase in attendance at library programs. While there were 98 programs and events in 2024-25, 16 fewer than the year before, 1,452 people attended these events, up from 1,236 in 2023-24.

Some of those programs in the final few months of the financial year included the Curious Kids in the Library session at Inglewood Library in April, presented by the Discovery Science and Technology Centre in Bendigo and the National Simultaneous Storytime event in the Boort Library in May.

Wedderburn Library also underwent a refurbishment during the winter months to improve its functionality, accessibility and overall appeal.

Loddon Shire Mayor Dan

Straub said the statistics continued to prove the enduring appeal of library services in Loddon Shire.

"Libraries are among the most-loved services that Council is involved with and it is great to see our residents taking full advantage of everything they have to offer," he said.

"However, we would love to see the State Government step up to the plate again with its funding contribution.

"What used to be funded 50-50 between local and state governments is now well and truly skewed towards local government, which funds about 75 per cent of the cost of the service.

"This increases the financial strain on local government to provide these services and raises concerns about the long-term sustainability of equitable library services in communities such as ours."

Local Laws Kept Busy

Local Laws officers are among the most common faces of Council out and about in Loddon Shire communities, and just how busy they have been can be seen in a new report.

The Local Laws and Planning Compliance Quarterly Activity Report shows for example that they were called out to 544 animal management issues during 2024-25, or an average of more than 10 each week.

There were 124 cases of wandering livestock, 78 of trespassing livestock, 24 dog attacks, 55 domestic animals at large, 38 cat traps distributed and 225 other complaints.

During that time 383 animals were impounded – 233 head of livestock, 80 dogs, 32 cats and 38 feral animals.

Of non-feral animals, 126 were returned to their owners and 244 were rehomed – the data for these animals includes those impounded before 2024-25.

Local Laws duties extend beyond animal control though – fire prevention, investigating littering or illegal dumping on Council-managed land, unsightly properties and planning compliance and enforcement are among other duties.

Loddon Shire Mayor Dan Straub said that while officers worked within the legal framework set by the State Government and Council's Local Law, they worked proactively with property and animal owners to achieve a positive outcome.

"Dealing with these matters can be costly, so it benefits everyone when we can work through as quickly and respectfully as we can," he said.

"At the end of the day the work we do benefits the whole community; it keeps our towns looking their best, makes sure development is done the right way, keeps people safe, and supports responsible care of pets and livestock."

BURKE VICTORS

The annual Swimming Sports were held on Wed. 20th Feb. Despite the threat of inclement weather spectators and swimmers enjoyed the many events which occurred.

Burke house, captained by Dean Noelker and Sharon Pickles, was successful in winning the Ampol Trophy. This was presented to the captains by Mrs. M. Shay, President of the Parents Club.

During the sports 14 records were broken. The record breakers were D. Noelker(5), R. Grayson(2), R. Gibson, R. Whitewood(2), R. Ballis(2) M. Carroll and D. Vulic.

The boy's Championship was won by D. Noelker in a record time of 1:20:63, and the girl's Championship was won by Robyn Ballis in 1:24:55.

Our congratulations go to all competitors, they were a credit to themselves and their houses. It was disappointing to note however, that a number of students chose to find rather questionable excuses for not participating. Their non participation in this activity was a low point and I expect that their will be total participation in further school activities.

The feature "event" of the day was the running of the staff-student relay. This event was won by the "Staff Mean Machine" comprising Bob Jenkins, Glenn Casboult, Lyndall McKinnon and Cindy Mann. The "protests" of the parents fell on deaf ears owing to the "mysterious" absence of the referee!

S. McKinley.

BACK TO

Our thanks to all those who responded to the list of names needing addresses, also those who have phoned or sent in names and addresses. Replies are coming in steadily. We would like accommodation for Mr. and Mrs. Williams and family (past Bank Manager). Is there anyone willing to lend a caravan for them to stay in? We will need two as there is 9 of them.

Tee shirts are available (at last) at Murray Goulburn and V and C Johnsons. Sorry for the delay.

Mr. Tom Guthrie has been busy making room through his shop to allow us entrance through the east door. We are hopeful of having a display there very soon, and if you have anything of interest we would like to hear from you. This area will also be our information centre during the "back to". If you are willing to help "man" this would you please ring 551275 or see M. SMITH so a roster can be drawn up.

Mr. Jack McDowall has kindly agreed to have his buses available for tours if there is sufficient interest. Not much interest has been shown in the first day stamp coverage.

Our thanks to Mrs. Faye Weinert and Mr. Rex Prior for making their interesting hobbies, namely herb garden and bird aviary available during the "Back-to".

A motion was moved at our last meeting that "Peter's Pyramid Project" be called "Centenary Park". Shire has agreed to this.

Our next meeting is Monday 4th March at 8 pm. Our congratulations to the "Fire Boys" on coming 3rd at Castlemaine last week end. Well done.
