## Working Bee Success

Pyramid Hill Independent Living Facility was slashed and shined to perfection on Sunday. Thanks for all the the help with equipment and hands on yakka. Around 30 people helped out on the day, and many said they thought the place is in better nick than they thought it would be!

It was a huge job, clearing the lot and cleaning. So much potential for the next stage of life for our building!

## ● PHC's Commitment to Excellence

We're so proud to share that **Pyramid Hill College** has been named one of the **Herald Sun's Top 50 Schools in Victoria!** This fantastic recognition celebrates the hard work and dedication of our students, staff, and school community. It is proof that amazing things are happening right here in Pyramid Hill! A big thank you to our local MP, Gaelle Broad, Member for Northern Victoria for her kind words and congratulations — it's wonderful to see our small rural school recognised at a state level. Well done, everyone - what an incredible achievement for our College community!

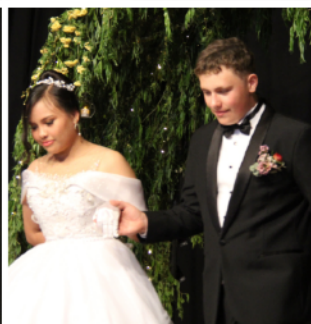

## ● Debutante Ball: A Night to Remember

On October 17, an exceptional event took place at the Pyramid Hill Memorial Hall. As the program commenced, each debutante and their partner were warmly introduced to the community, bringing smiles of joy and wonder throughout the hall. The adorable flower girls also captivated everyone with their charm.

During the debutantes' dance, they elegantly showcased their spins and turns, moving with grace and poise. Parents, teachers, staff, and the entire community radiated with pride for each of you.

Later in the event, Mayor Dan Straub graciously welcomed the debutantes as they embarked on their journey into young adulthood.

A heartfelt thank you goes out to the organisers, staff, parents and community members for making this night truly memorable for everyone involved.

## Bowls Notes:

### Mid-Week Pennant

It was a lean day on the greens for the Mid-week Pennant players with not a win in sight at all. The **Red Team** travelled all the way to Wakool coming up with little in their pockets for their efforts. Jan's team of Joe, Kate and Rose took the accolades for the day being the best performers out of a very sorry lot. They played a team of men and kept well within range to finish just three shots short despite sharing the tally of ends won and lost. Their total of 15-18 earned them the Freddo Frog Award – not winners but best losers. The team with Marie N., Carmen, Ian and Joe had a much less flamboyant day. A bit of jibing that the ladies were producing more muscle power than the guys on the slow greens, somewhat purred the gents into action. Although holding their own until the snack break, they really lost momentum and found it hard to get motoring again. The final score, 23-14 looked less complimentary than it should have as they managed to win almost half the ends, however, they were unable to accumulate large numbers. On the upside, they didn't donate anything larger than a couple of fours themselves. The 41 -29 win to Wakool made the trip home seem longer than the early morning trip to the venue.

The **Blue Team** also travelled interstate, but only as far as Barham. Tony and his crew consisting of Dorothy, George and Glen allowed the Barham folk to get away to an enthusiastic twelve shots on the first three ends before troubling the scoreboard themselves. Mid-match it seemed they had finally accustomed to the synthetic greens, but the gifting of large numbers gave them little to no hope of bridging any gap. They finished 12-33 down but, in our terms any score in the double figures is worth noting. Beggars just can't be choosy when we are against the giants. Allan taking the role of Skip to Robyn, Anthony and Maurie equipped themselves more capably and, with the extraction of two ends tallying ten shots, it would have been a close encounter. The 14-26 total would have looked much more respectable. Barham would be pleased with their 26-59 win, but our folk did well to achieve what they did. It was a prolonged match due to the slick synthetic surface and resulted in a search for a late lunch.

### Saturday Pennant

The hosting of both Divisions 2 and 3 at home saw our greens covered with bowlers including those who travelled from Barham and those who travelled from Kerang Golf. It really is a joy to see the swarm of bowlers and hear the banter that goes on between them. A quick rearrangement of team compositions had to be negotiated, due to a necessary withdrawal and, with no emergency or substitute player available, Division 3 had to start their match a player short.

It seemed the **Division 2** players from Barham took a while to adjust to the grass surface. Jan's team of Jean, Kate and Rose got off to a dream start accumulating 9 shots to nil on the first seven ends before disaster struck and they let their opposition right back into the game by dropping 5 shots in one hit. From then on it was "game on" as the Barham folk took control of the next eight ends and drew away to be get nine shots in front. The final two ends saw our ladies reclaim some honour and reduce the final score to just a three shot deficit, 18 – 21. That was a great comeback! Marie S., Marie N. Joe and Ian also had a brilliant start netting eleven shots before allowing the Barham lads to get on the scoreboard. Unfortunately, once their opponents got the feel for the greens they became more dynamic and accurate. The promising win dwindled to a tied match, 21-21, as they took the last four ends with multiple numbers. Thankfully, Lionel, playing with Carmen, Greg and Glenn, had a more successful day with the Skip, Lionel, producing some bowling gems time and time again. Once they got into action they maintained enormous pressure and only allowed the Barham folk to score single shots on any end they won. This resulted in a mammoth 27-9 tally which was sufficient to get the whole side over the line for a 66 – 51 victory, and allow them to have another dip into the bag of Freddo Frogs. Yay! We are still on top of the ladder – after two rounds of match play!

**Division 3** fronted up to the folk from Kerang Golf and really took the match up to their strong opponents. Having to field one rink a player short for half the match did them no favours, as this reduced their number of possible shots they could score. However, this very rink with Tony B (Skip), Maurie and George, and later including Terry S., did themselves proud as they won 24 shots to 18. It was a tight affair

**Bowls Notes continued..** until the lunch break, but they apparently got all the good sangers as they came out swinging and forged ahead to get 12 shots clear. A slight easing of the pedal on the last two ends saw them gift 6 shots to their opponents, otherwise they would have been the Frog winners! A reliable source of inside information reported that George was “on fire”, playing like a Pro and Maurie was right beside him. Bill, stepping up to the role of Skip, along with Mari, Anthony and Jasmine struggled to get started, but they, too, must have been served the doctored sandwich box as they won eight of the last eleven ends and the words of encouragement from the Skip, Bill, could be heard across the greens as they applied great pressure and just fell short by three shots, 17-20. Apparently, on one end, Bill sent down a rocket which took out four opposing bowls in one shot to gather a handy score for themselves. The rink with Allan as Skip and his crew of Chester, Amy and Robyn did not fare so well. It was a tough initiation for Chester in his first game of Pennant, but he can take heart from the encouraging words of his Skip who claimed that he improved immensely as the nerves wore off and he settled into the game. They managed to break into double figures thanks to a tidy last three ends and finished 10 -27 in arrears. The final overall tally 51- 65 was a fine effort and not to be sneezed at. Great work, Division 3, under trying conditions. We are proud of you and your attitude to playing.

#### Other Notes:

**A brighter note:** Before I go out to bowl, I dose up with pills to keep the body bending and somewhat pain free – I think the pills are legal. Bad news, I accidentally took the wrong medication today. The good news, I'm now protected from heartworm and fleas for the next 3 months.

## Remembrance Day in Mologa, an invitation to attend

We would like to extend an invitation to all of you to attend our Remembrance Day Ceremony at the WW1 Memorial at Mologa at 10.30 a.m.

From an overgrown and neglected Memorial to a place fit for the celebration and remembrance of the soldiers, the Mologa & District Landcare Group, with the help of the community, has changed this area for old and young to attend.

Pictures don't tell always the whole story; you must be

there to believe and see the change which has occurred. You can feel the presence and spirit of peace when the ceremony is held. Old and young alike will think of the soldiers which have given us the security to live in peace even if they paid the ultimate sacrifice.

We have written books “Faces to Names”, which shows the pictures of the soldiers on the Memorial and tells the stories of them, and “100 Years of WW1 Memorial at Mologa”,

which tells the story how it came about to build this Memorial. From an idea of the Memorial, to the unveiling and then on until now.

Our community, the district and members from interstate will assemble here to pay their respect to these brave men who have fought for our peace.

After the ceremony, you are invited, we will have a BBQ so that people can have a chat.

## SPORT

PRESENTED TO YOU BY PYRAMID HILL AND DISTRICT FUEL SUPPLY

### FOOTBALL

W & H SCHMIDT 557114

The full(?) Press Panel is back from its extended holiday in the Bahamas, rumour has it that more than 6 seniors trained for Pyramid this week, Paddy Dingwall cleaned his boots last night and C.U.B. orders have doubled for the week - yes, you guessed it folks, the NDFL has finally found its draw and there is a game of footy on the weekend - we kid you not!

We have had our well known spy 'The Tout' out and about the traps during the last two weeks to see what bits of football trivia he may be able to dredge up, to help the panel pick a winner in the game between Pyramid and Leitchville. Mrs. Umpy and her mother in law have been somewhat unreliable in recent weeks - we bailed 'The Tout' out and set him on his way. Unfortunately, he didn't make it past the big red building on the corner and we are none the wiser - which is the way we make all of our other predictions.

We cannot be guided by form, since nobody has played for three weeks; picking a winner is a bit like finding Pyramid players over six feet (don't ask what that is in the new currency it could be somewhere between 1.85 metres and parking meters). However, in our normal fearless fashion we will pick Pyramid to win for no other reason than we live here. Pyramid couldn't possibly play as poorly as they did before the mid season siesta. Players such as Shane Jackson, Da Coach, 'Academy Award Quinn', Dave 'Log Fire' Kent and Mark 'Pound for Pound' Amarant must get some support soon - when that happens and Pyramid get their running game going they may show their true form. Leitchville under Dropper Williams do not really appear to have struck form this year.

Beating Leitchville at home is a must for Pyramid unless they want their 85 hopes to go right down the gurgler - even at the moment, they probably need a plumber more than a coach, but we will give them one last chance.

PS - a somewhat bleary eyed Tout reminded us that last time these teams met the Thirds turned on a 'bottler' - he reckons you should get there early and see if the lads can grab third spot on the ladder.

'The Panel' (nobody is game to claim credit for the article this week)

### SUGS SUMS UP

With our banishment from the Winfield Championships matches by the Sunraysia League at Mildura last Saturday, we resume our normal club games this week to

begin the business end of the season and start the run home to the finals, so fellows put your best foot forward and make every post a winner from now on.

Congratulations to Ross Bateman and his team in the inter-league match last Saturday but unfortunately our best just wasn't good enough.

Congratulations in particular to our own Glenn Casbault who was our only representative in the team at Mildura and who played a strong game in the centre against the Sunraysia coach Richard Manouge and which was good enough to win him a place in the Northern Districts best players list and also the trophy awarded by the Geelong Football Club.

A great family day was held at Mitchell Park last Sunday, starting with a clinic, the second in a series of three, by the Senior players for the fourths and fifths boys and followed by a barbecue for all the lads and their parents which was well attended and thoroughly enjoyed by everyone. Even the netballers stayed behind to enjoy chef Pat Dingwall's continental cooking. The clinic then finished with a film on the fundamentals of the game being shown to the boys by club secretary Eddie Ballis.

Congratulations to our third eighteen players who have been picked to represent our league in the under 17 game next Sunday at Kerang in the Geelong zone championships, may you all keep your end up boys and bring home a victory for our league as well.

Good luck also, to our fourths team in the under 14 lightning premiership at Leitchville on Sunday week may you have success again, after a run of outs in recent years in this competition.

NEXT SATURDAYS GAME - Pyramid Hill v Leitchville at Pyramid Hill so good luck fellows and UP THE HILL.

### NETBALL

Thanks to Rhonda and the Macorna netballers for journeying to Mitchell Park for a practice match last Sunday. Both teams gained much needed practice - especially the Hill gals who face Leitchville this week.

Great to see those goals flowing Carol and Marg! Welcome newcomer Jodie, who will undoubtedly be an asset to our club.

Thanks also to Marie and Shirli for giving up their time to umpire.

C'mon girls, let's see if we can turn the tables on Leitchville this Saturday - a 100 % effort from everyone!

### INTERSCHOOL

In very cold and damp conditions Pyramid Hill were down to a much stronger and classier combination from St Arnaud. In the first quarter St Arnaud raced away to a 4 goal lead. During the 2nd quarter Pyramid attacked repeatedly but were unable to capitalise on their opportunities. Some great defence by Pyramid in the 3rd quarter restricted St Arnaud to 2 goals. The final quarter saw Pyramid attack often but could only score one major from a number of chances.

FINAL SCORES: St ARNAUD 7-0-42 def PYRAMID HILL 2-3-15.

GOALS: A.Smith, M.Carroll  
BEST: J.Carroll, L.Forster, G.Ervin, S.Ludlow, G.Mooney.
