Pyramid Hill Seniors events and visit to local Nursery

Our seniors had a recent trip to Sylvaterre Nursery. A lovely afternoon was had by all. David made us very welcome and is very knowledgeable with regard to native plants.

Seniors had a great turn up for our light lunch last Friday, followed by much fun and frivolity afterwards with games. Next meal will be held on Friday 28th November. We must thank Catalyst Mining for their generous donation of \$1500 and to Phil Reed for \$200 towards our pool table.

Our Christmas lunch at Barham Club will be held on 1st December. We need to have final numbers by 24th November. If interested please contact Terry on 0429843479 or Lyn on 0428564006.

Canberra Camp Experience

From November 10 to 14, Year 5 and 6 students had an amazing camp in Canberra, filled with fun and engaging activities. Here are the highlights of their escapade:

- National Archives: Students learnt about the Constitution.
- National Arboretum: They explored the area through orienteering.
- Australian Institute of Sport (AIS): A tour included a visit to the simulation room.
- High Court: Students observed judges in action and gained insight into Australia's judicial system.

In addition, PHC students visited two significant sites:

- Parliament House: Here, students role-played scenarios in the House of Representatives and the Senate, followed by a tour to discover its rich history.
- Old Parliament and Australian War Memorial: They explored various exhibits and learned about soldiers from World War I and World War II. During this visit, Xanthe had the privilege of reading from a diary belonging to a family member who served in World War I.

This experience truly enriched students' understanding of Australia's history and governance leaving them inspired and eager to learn more.

Bowls Notes:

With no Mid-week matches permissible due to the staging of the Country Carnival it seemed that we could feel a bit short changed this week except if your initials are double C and you can hunt around to find enough tournaments to enable you to play eight days in a row. Oh to be young, fit and that enthusiastic! Sadly many of us need time to recharge our batteries and struggle to keep up with the energizer bunny. Well done to the folk who get out and about to represent our Club in the wider community.

the short term memory has been impacted. Whatever the reason for the memory lapse the accumulation of nine shots over four ends broke the resolve of the Barham team and lead them to a comfortable nine shot victory, 25-16. That effort was almost enough to secure them the Freddo Frog

Award for the day but they were thwarted by a better winning margin by Jan's rink in Division 2. All in all the overall tally 52 -57 was a fantastic effort.

Saturday Pennant

It was another day when both Divisions graced our greens as we welcomed players from Barham and Cohuna. We are blessed this season to have the favourable draw of both sides at home and both side away. It makes it so much more companionable as we can see each other in action and socialise together after the matches are completed. This time around we just enjoyed some nibbles and drinks due to the need to consider those involved with hosting the "Any Combination Fours" tournament the following day.

Division 3: were pitted against the Barham #5 side and equipped themselves very well. Tony (Skip), Maurie, Lyn and George found score making challenging but they redeemed themselves somewhat with a handy three shots on their very last end to allow them to record a number higher than 10. It's always ego building to get to double figures at least. The conversation of the around-the-table analysis, laced with a few drinks at the end of the day, included reference to the fact that Lyn, who was only in her second game of Pennant, "will make a very good player." Good praise from the Oracle. Perhaps they were thrown a bit off balance due to Chester being recruited as a sub by the opposition. He also was complimented for his developing skills. It's a good omen for the future when we have new players being recognised so positively. The final score for their match was 12-25 but, with the new bowlers getting into the groove and gaining confidence, there is every indication that the results of upcoming matches could be much closer. Greg (Skip) to Anthony, Mari and Michael was so close to pulling off a nail-biter. Their match was all tied up going into the last end with fifteen shots apiece. It was a bit of a travesty that they couldn't claim the last end as they were on a roll winning the five previous ends. However, they can lay claim to having won the majority of the ends despite losing 15-16. Joe at the helm with Bill, Amy and Jasmine were in great form and almost achieved a drought breaker by scoring enough shots to cover the other two rinks. (It didn't happen but it nearly did.) They were inspired mid-match by a miraculous shot by Joe which saw him steal the jack from the opposition to give his own team a three shot advantage. At interview two days later, Joe couldn't quite recall the details of the incident despite being buoyed at the time. There could be several theories about that; unlike golfers, bowlers are not inclined to replay every bowl after the game, it happens so often it has become a "ho-hum" event, or Alzheimer's has set in and

Division 2: hosted the players from Cohuna and found their spirited competition a force to be reckoned with. Lionel, back in full uniform this week, with his team of Carmen, David and Glen found his opponents more consistent in getting bowls into the head. They plied away steadily all day but just couldn't claim the lead despite being tied at thirteen each on the seventeenth end. The loss of the last four ends saw them go down by six shots. Fortunately the other two rinks were able to attain victories to amass an overall conquest. Marie S, in charge of Marie N. Terry and Ian got away to a flying start but they relinquished this good effort by gifting an end of five shots just before the lunch break which saw the scores tie up at twelve all on the twelfth end. After that little scare it became a battle for supremacy as the end –or-end tussle indicated the evenness of the game. Pyramid Hill coming out winners due to the accumulation of multiple tallies in comparison to Cohuna only being able to add single shots each end they won. It was a bit of a relief to finish four shots to the better, 22-18.

The team deserving the greatest accolades for the day was the one with Jan (Skip), Jean, Kate and Rose. Throughout the day the praises for good shots was the reward for accurate and consistent bowling with all players contributing. They were on fire –hot, hot, hot! Even though they gave away five shots on one end they retaliated by picking up six shots of their own immediately afterwards. Of the twenty-one ends played they notched up scores on fifteen of them. They were decidedly the best performing rink for the day and picked up the Freddo Frog Award. Well done to them. Not only did they secure the coveted chocolate trophy they also contributed solidly to the 64 -52 triumph. Let the good times roll!

Any Combination Fours Tournament:

Our first tournament for the Season was very successful with the prize winners and runners-up being presented with succulent trays of meat generously donated by our local butcher, Paul Walters. Envy, oh, envy! Thanks so much, Paul. No doubt the meat would cook up just as beautifully as it was presented. The winners were the entry from Dingee and runners-up were from Cohuna. They were the best of the sixteen entered sides including players within our own playing area and from further afield.

Thanks to everyone who helped to make the day run smoothly and successfully. The greens and surrounds looked amazing and drew compliments from many. The catering was outstanding to the extent that one team from Bendigo took photos to demonstrate what can be done in a small community. Obviously the spread would have scored a ten from the MKR judges. We are so blessed to have Kate as our Catering Guru – none can come close to her wherewithal. Helping hands were in abundance – thanks to those who chipped in. Special mention to Jan as Tournament Organiser and Lionel who stepped up in the absence of the President along with Dave as the all-important Bar Manager. Our little Club was beautifully showcased again.

Other Notes:

- Mid-Week Pennant – Red Team host Barham and Blue Team host Cohuna.
- Saturday Pennant –. Division 2 travel to Barham while Division 3 have the Bye.

• Next Vic Hotel Dinner is Thursday 20th November. Players along with family and friends are welcome to attend.

• **Social Event:** The Christmas Party has been booked in to the Sporties Club at Kerang for Thursday 11th December. The Sporties Bistro is all about delicious meals, a family-friendly vibe, and plenty of space to kick back and enjoy– a place where everyone feels welcome and the food always hits the spot. The Kerang Sporties Club has come on board as one of our sponsors so we are repaying their support by making use of their Bistro for our Christmas social night. Please place your names on the sheet at the Club house for booking purposes.

A brighter note: Just because of the meat prizes donated by Paul our butcher :- Three bulls hear their owner farmer was bringing in a new bull. First Bull; "I've been here five years. Got my 100 cows. I'm not giving up a single one." Second Bull: "I've been here three years with 50 cows. He won't be getting any from me." Third Bull: "I've only got 10 cows but they're mine and I'm keeping them." Then an eighteen wheeler truck rolled in. Out came a monster of a bull shaking the ground with every step he took. First Bull; "Well...maybe I could share a few cows." Second Bull: "As long as I stay at the far end of the pasture I'll be fine." They looked at the youngest bull, who was pawing the dirt, snorting and shaking his horns. First Bull: "Don't be silly. Just give him your cows." Third Bull: "He can have ALL my cows. I just want him to know.... I'm still a bull!"

Have your say on the proposed Mologa Solar Hybrid Project

Potentia Energy is proposing to develop, construct and operate a Solar Hybrid project in Mologa, Victoria.

The proposed Solar Hybrid would generate up to 662,000 MWh per year of clean energy – enough to power around 109,500 homes in Victoria.

Community engagement is a key part of the development process and entire project life cycle and allows us to understand any concerns the community may have. We appreciate the feedback received so far, which showed strong interest in learning more about the project. In response, Potentia Energy will host four additional information sessions in December 2025 to provide you with an update on the proposal.

Community information session

Join us at the Pyramid Hill Community Centre, 6-10 McKay Street on **Wednesday 3 December** at either 9am, 11.30am, 4pm or 7pm.

Places are limited, so register via the QR code above. Alternatively, you can secure your spot for a specific session by emailing engagement@urbis.com.au or calling 1800 271 009.

Completing our survey

Provide your feedback by completing a short survey on our website:

potentiaenergy.com.au/project/mologa-solar-hybrid

About Potentia Energy

Potentia Energy is a leading Australian renewable energy developer and asset owner, dedicated to supporting the nation's transition to clean energy. Potentia Energy has a growing portfolio of utility-scale wind, solar, and battery storage projects, including local projects Cohuna Solar Farm and Girgarre Solar Farm.

For more information

Potentia Energy has commissioned Urbis Engagement to collect feedback from the community and provide further information about the proposal.

Loddon Shire Media Release

13 November 2025

Terrick Ward councillor Dan Straub has been re-elected as Mayor of Loddon Shire.

At a Special Council Meeting on Tuesday, 11 November, Cr Straub, the sitting Mayor, was elected unopposed.

A Councillor since 2020, it will be Cr Straub's fourth term as Mayor.

The Tandarra father of two said it was a privilege and an honour to lead Loddon Shire.

"I thank my fellow Councillors for the faith they have shown in me and I thank the community for their support as well," Cr Straub said.

"As Councillors we take the stewardship of this great Shire seriously, and while we have got down to business in the first year of the new Council, we have plenty of work to do.

"We look forward to implementing our new Council Plan and Community Vision and as Mayor I will be the public face of that.

"Equally important in a rural shire like ours is our advocacy efforts to State and Federal Government.

"Loddon Shire has led the way on issues such as the Emergency Services Volunteer Fund and I have also been privileged this year to be chair of the Murray River Group of Councils advocating for the wider region in both Spring Street and Canberra.

"We have punched well above our weight on the issues that matter to our communities and we will continue to advocate for what is best for our shire, its residents and businesses."

Neighbourhood House News

Hi Neighbours

Thank you to everyone who participated in the Garage Sale weekend just gone. We had a small but mighty contingent of local sellers and a HUGE number of visitors from as far away as Tooleybuc, Ballarat, Kyneton and Numurkah. Congratulations to the Finders Keepers mob, who made RECORD SALES on the day - over \$750!

Neighbourhood House is winding down toward the end of the year, however we still have a couple of workshops for your entertainment.. Next Thursday there is a Gouache painting workshop with the awesome Alannah Cheshire. It's a workshop that would suit all art interested folks - no matter your ability - come down and give it a go.. There are 6 places left in this workshop! More info in the flyer below.

We also have a Christmas Craft workshop coming up on the 16th December with Naarah. She is going to be making those cute clear resin magnets with pictures inside - and Christmas cards with vintage papers..

I've heard news from our Cheese Making Man, Barry. He will be BACK in this neck of the woods in early March and then again in June.. Who would love us to run the cheese making workshop again?

Gouache Art Workshop

WITH TEACHER ALANNAH CHESHIRE
TIME 11AM - 1PM
THURSDAY NOVEMBER 27TH
BOOKINGS ESSENTIAL
SUPPLIES PROVIDED
\$15 PER PERSON

What is gouache?
'gwaaarsh'.. is a cross between watercolour and acrylic! Fun and easy to use
