2026 O’Connors Community Practice Match Series Success.

Thank you to the wonderful Pyramid Hill Football Netball Club volunteers who worked tirelessly to ensure the 6th annual O’Connors Community Practice Match series went off without a hitch again this year.

A generous sporting public again threw their support behind the Pyramid Fire Brigade via optional gold coin gate entry donations with 100% of money collected directly benefiting our community via the purchase of much needed equipment to be utilised by local emergency services. Nine clubs and their support crews rolled into Mitchell to play football and netball and we thank them for their ongoing support.

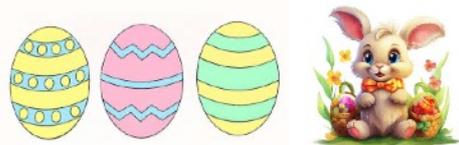

We know friendships forged through sport often endure beyond the playing field and it’s these valuable social and sporting connections that keep our community strong.

Seniors News!

The Senior Citizens had a wonderful lunch last Friday with over 30 people attending. It was great to also welcome visitors from the Cohuna and Leitchville Senior Citizens groups, which made the day even more special.

Our guest speaker, Georgia Anderson from NDHC, provided valuable and informative insights into the support and services available for carers. It was a very worthwhile and enjoyable afternoon for everyone involved.

There will be no Senior Citizens this Friday 3rd April as it is Good Friday. Our next gathering will be Friday 10th April when we will have a light meal.

Harmony Day

Pyramid Hill College proudly celebrated Harmony Day by bringing students and staff together to recognise the many cultures and individual preferences that make our school community so special. On Wednesday, March 25, our school was filled with colour, conversation and a variety of foods from around the world as everyone enjoyed sharing traditions and trying new flavours.

Events like Harmony Day reflect our commitment to creating a welcoming and inclusive environment where every student feels safe, valued and respected. At Pyramid Hill College, we celebrate diversity while building a strong sense of belonging for all.

New Era for Pyramid Press!

The Pyramid Press is a big part of communications in Pyramid Hill, as is the Loddon Herald, Facebook and other internet based communications.

Did you know it takes around 6 hours to pull an edition together each week during school terms?

Often we are scrambling to gather information for each of the weekly editions.

So, as 1st May we will be changing how often the Press is created! We will be printing it fortnightly until the end of 2026 on a trial basis.

Advertising for 2026 businesses will reflect the new schedule.
