Come & Try Pickleball in Pyramid Hill!

Looking for a fun, social way to stay active? Come and give Pickleball a try!

Pickleball is one of the world's fastest-growing sports. It can be played as singles or doubles on a court similar to a tennis court, but only a quarter of the size. Using paddles and a lightweight ball, players rally over a badminton-height net, aiming to score points against their opponents. It's easy to learn, making it ideal for beginners—even if you've never played a racquet sport before.

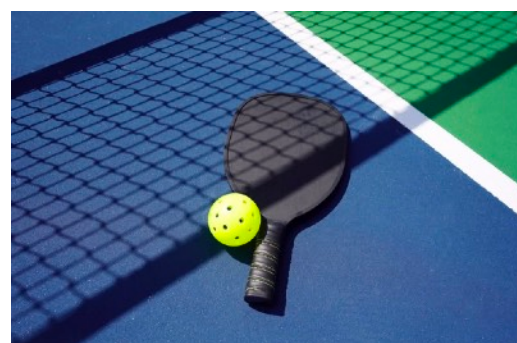

Qualified Pickleball coach Paul Condliffe will lead one-hour sessions at the Pyramid Hill Netball Courts every Friday morning from 9:30am. All equipment is provided, so all you need to do is come along and have a go!

Thanks to generous support from Loddon Shire Council, sessions have been heavily subsidised, with participants paying just \$5 per session.

Sessions commence: Friday 14th August.

A minimum of 8 participants is required for the program to proceed. Whether you're looking to improve your fitness, meet new people, or simply try something new, everyone is welcome! Spread the word.

Contact Colleen Hampson to rsvp your interest!

Pyramid Hill Senior Citizens enjoyed a wonderful Christmas in July celebration, bringing members together for an afternoon filled with delicious food, festive cheer and great company.

Guests were treated to a traditional Christmas lunch of roast turkey, ham, roast potatoes, pumpkin and seasonal vegetables. To finish the meal, everyone enjoyed a warm serving of plum pudding with custard.

A highlight of the afternoon was the beautifully decorated Christmas cake, lovingly made by Kate Wood. The

cake was officially cut by Mayor Straub alongside incoming President Peter Jones, making a special moment in the day's celebrations.

The room was filled with laughter, friendship, and the true spirit of Christmas as members shared stories and enjoyed catching up with one another. Events like these continue to make the Pyramid Hill Senior Citizens group a welcoming place where lasting friendships are made and wonderful

memories are created.

Meetings for August 2026

7th August Light Meal – please note change of date for light meal for this month.

14th August Movie Afternoon or Games

21st August Main Meal

29th August Trivia Afternoon.

AGM held 24th July 2026

Our AGM was held between main meal and dessert at our Christmas in July lunch. Mayor Straub presided over our meeting. The following people were nominated and accepted.

Peter Jones – President, Cheryl Jones – Treasurer, Lynette Claridge – Secretary

We also have a well-represented group of Committee Members.

Our out-going President Terry Wood talked about the following:

Thanked the people who took on executive positions, the Committee members and others who helped out each week.

Thanked our sponsors Mandeep at the Pyramid Hill Store and Paul at the Victoria Hotel

How great it has been to have a permanent home in the Community Centre, and thanked our Loddon Shire representatives Mayor Straub and Nicole.

We have had outings, been entertained by musicians and accepted invitations from other clubs.

Thanked the incoming executive, and those who accepted nominations to join our committee.

Incoming President Peter Jones wants to ensure members come first, and wants to continue bringing our Seniors community together each week and to increase our members.

We would like to thank Terry Wood for all the work he has done to get the Senior Citizens back up and running again. He has done a wonderful job and we wish him well.

THE FIRST TOWNSHIP AT THE HILL

Major Thomas Mitchell, Surveyor General of NSW, climbed Pyramid Hill on his journey of discovery on June 30th, 1836.

Mitchell's tracks, still visible 18 months later, were closely followed by Joseph Hawdon and Charles Bonney. With nine other men, they drove 340 cattle on an epic drive from Howlong, NSW, to Adelaide. Mitchell had described an abundance of grass in June, but at Mt Hope in summertime Hawdon wrote that he could scarcely find sufficient grass for the cattle.

Squatters soon heard reports of these two parties and land was quickly taken up. In 1840 Edward Argyle established Duck Swamp Station at Durham Ox. Mt Hope Station was initially established by Scottish-born squatter William Campbell, who founded the sheep run in 1845. The expansive property originally covered about 77,000 acres and carried up to 100,000 sheep.

The area east of the hill was known as the Mt Pyramid Run of Mt Hope Station and a shepherd's hut was built next to the hill. The chimney of the hut still remains at the site.

The Land Act of 1869, which came into force in February 1870, set selectors on their way. In the years 1873 and 1874 selectors quickly took up available land in the vicinity of Mt Pyramid.

The Pyramid Hotel and Store was built in 1874 by Thomas Watson in the corner of his selection next to the shepherd's hut. Pepper trees planted around the hotel and store are still visible today.

Watson, born in Durham, England, in 1833, was a gold digger, blacksmith and wheelwright.

Before coming to Pyramid he worked machinery at Sandhurst and became one of the founders of the principal gold reef in that area.

From 1879 a Post Office was conducted from Watson's hotel. Mail was delivered to the busy Terrick Terrick township by coach and then by horseback to the hotel.

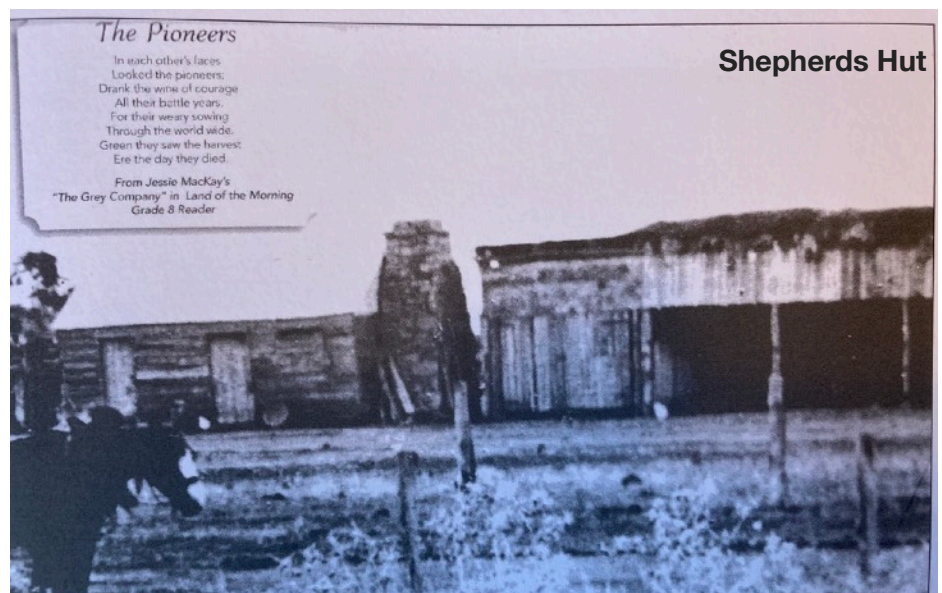

A hall was added to the hotel to cater for the meetings and entertainment of the district. Saleyards were built just north of the hotel. Impromptu horse races were often held on the road in front of the hotel after sales had finished.

Many of the selectors had young families and children of school age. In July, 1873, Mr Michael Buckley, on behalf of the parents, forwarded a petition to the Education

Department asking for a school. Names appearing on the petition include Matthew Lacey, James Herrick, Michael Herrick, and Michael Buckley.

The first school was built west of the Pyramid Hotel on the south side of the hill. It opened in 1876. It was a simple structure built by parents, measuring 20 feet by 12 feet, with two windows, a door and a natural earth floor. It soon became too small and a new and larger school was built one mile to the south west next to the first, and still current, cemetery.

One of the greatest difficulties facing the growing township was the ever recurring shortage of water. During periods of dry weather water had to be carried in a tank on a cart pulled by horses from the Loddon River near Durham Ox.

On one such occasion the Lacey brothers went to the Loddon for water. There was a shower of rain after turning for home, making it heavy going for the horse pulling the water cart. So they let all the water go, only to find on reaching home that there had been no rain at Pyramid.

In the late 1870s or early 1880s a weir was built on Bullock Creek near the cemetery to provide a more permanent supply of water for the township and farmers. It also supplied the heavily stocked Common next to the creek. During hot months it was frequented by swimmers from the township.

In the early 1880s the railway had reached the plains past Mologa and in 1884 the line extended to the new Pyramid station. A spur line was established to collect ballast from a quarry at Lacey's Hill. Soon ballast trains were loading crushed stone to construct the railway line to Swan Hill. Remnants of the spur line can still be seen today.

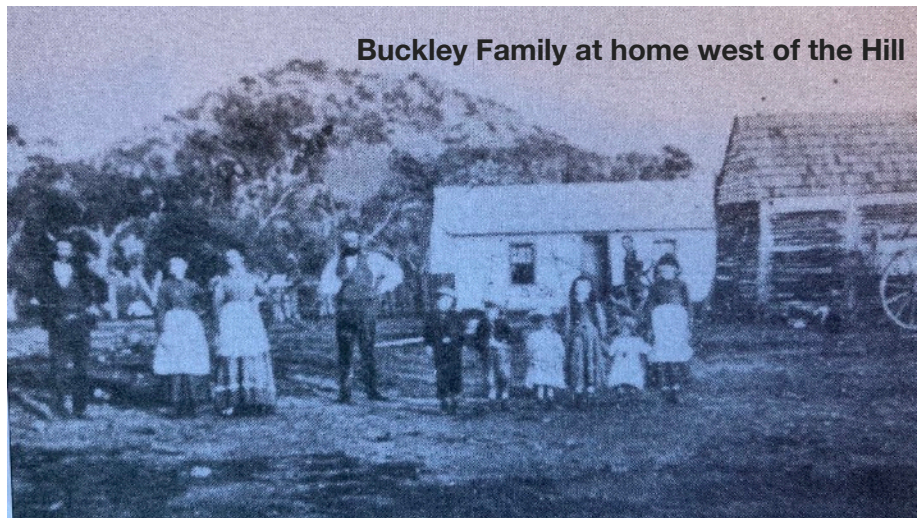

With the arrival of the railway a new township developed around the station. Watsons were building the Victoria Hotel and new shops and businesses were going up. John McKay commenced his general store business in the new township.

Bob Gregory used a bullock team to move the school building from next to the cemetery.

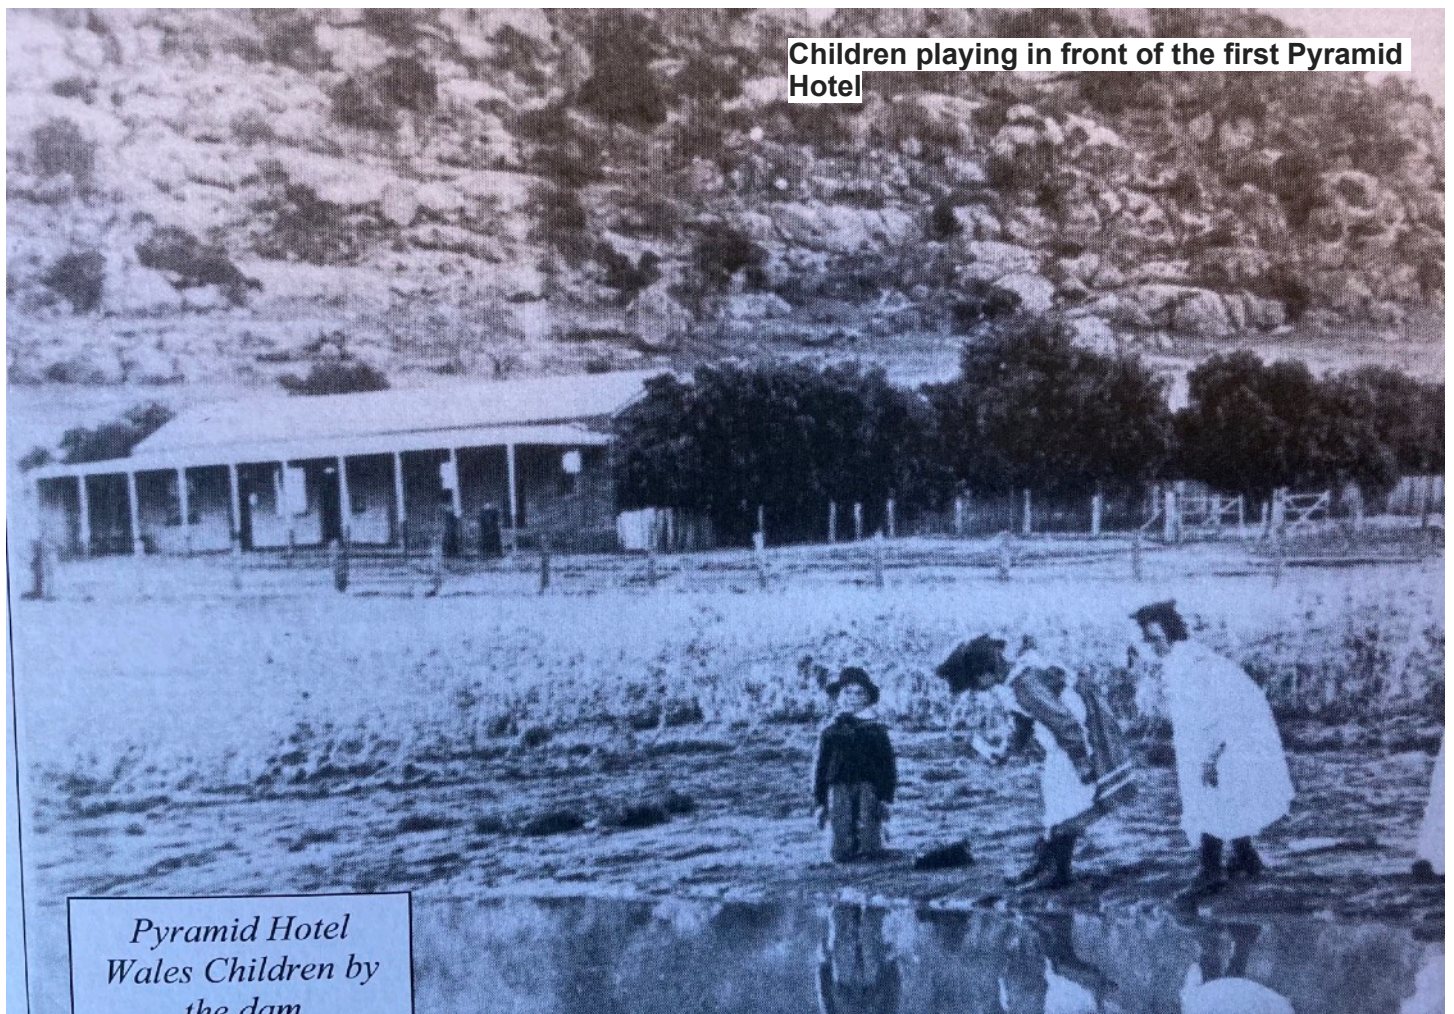

Despite being temporarily bogged in the creek the building was safely placed at the current school site at the north of the new town.

The old Pyramid Hotel in the first township continued to operate until it was burnt down in 1926. The last licensee was Jack Bower.

This has been a brief account of the first Pyramid township. More detail can be found in "Mt Pyramid – The First Township at Pyramid Hill", a publication available from the Pyramid Hill & District Historical Society.

MintBush Majesty

Prostanthera (Mint Bush) are aromatic heavy flowering native shrubs ranging in size from groundcovers to large shrubs.

There are more than 100 different species of Prostanthera in Australia many of which do exceptionally well in the Pyramid Hill Climate.

At Sylvaterre Nursery we currently have 9 of the best Mint Bush species for local gardens.

Round-Leaf Minth Bush / Native Oregano

Fast growing shrub to 1.5m x 1.5m, Frost hardy, drought tolerant, covered in purple flowers during spring/summer

Pink Mint Bush

Pink Mint Bush produces stunning pale to deep mauve flowers, often tinged with purple or blue, that bloom primarily in spring. Frost & Drought tolerant.

Hairy Mint Bush

Spreading shrub, 40cm-2m tall x 2.5m wide. Strongly aromatic foliage. Purple/mauve flowers in spring.

Scarlet Mint Bush-Yellow Variant

Compact shrub to 60cm x 60cm. Yellow tubular flowers in spring. Aromatic foliage. Well-drained soil in full sun or part shade. Drought and frost tolerant.

Balm Mint Bush

A fragrant Victorian native shrub with pink flowers in spring and aromatic foliage. Ideal for borders, pathways, and low to medium screens. 1-2m x 1-2m Frost and Drought tolerant.

Mountain Mint Bush

Small shrub / groundcover up to 50cm x 80cm. White flowers with a mauve centre from September to February. Hardy plant in a well drained semi shaded position. Very showy in flower.

Piggyback Mint Bush

Upright bushy shrub, 1.5-2m high x 1.5m wide. Aromatic, dark green foliage and tubular deep pink flowers from Autumn to spring.

Variegated Mint Bush

Medium-sized shrub to 2m tall x 1.2m wide with aromatic, variegated leaves and purple flowers in spring and summer. Responds well to pruning and suitable for hedges and topiary.

Blotchy Mint Bush

Rare Victorian plant 1-2m x 1m unusual strirated flowers from Autumn to Spring. Full sun or part shade in well drained soils. In hot dry districts shade and supplemental water is beneficial in summer.

In pots from \$10 for 125ml (1litre) to \$45 for 250mm (8litres)

Neighbourhood House News

Hi Neighbours! I am back in the saddle and I have to say I have had an amazingly restful break! First thing I did was head up to Mildura, past the majestic pink lake Tyrrel, and via the awesome community made lake at Ouyen! Has anyone else been there? It was truly great to see it. A fantastic recreational area for the community, made by a determined set of community members and a few dozen graders - a 14 hectare 500 megalitre ex railway water supply dam. To find out more about it go to the website <https://ouyen.vic.au/headline-projects/ouyen-lake-project/>

I want to thank Lizzie and the committee for holding the fort while I was gone too! I sent her this photo on the second day of my travels, from RedCliffs.. "Ooh" she said "Is there a *Big Australian Thing* named after meeeeeeee?!!!"

Umm.. yep.. an old TRACTOR!! hahah! Also - what the hey did she do to the printing of the last Press?! You'll be glad I am back..

MEDIA RELEASE

TITLE: It's vital we get this right

FURTHER INFORMATION: (03) 5494 1250, email: comms@loddon.vic.gov.au

30 July 2026

The futures of Loddon Shire communities are too important for the Victorian Government to ignore their voices with its plans for the Sustainable Communities Fund – and Loddon Shire Council has demanded that the fund be paused until the right way forward is found.

Council's call comes as the Murray River Group of Councils (MRGC), of which it is a member, joined with Greater Shepparton City Council to call on the government to rethink its approach to the fund.

The fund was established by the Federal Government – to be administered by the governments of the affected states – to help communities adjust to the social and economic impacts of water buy backs under the Murray-Darling Basin Plan.

While the funding arrangements between Canberra and Victoria are being finalised, Loddon Shire Mayor Dan Straub said given a lack of consultation with local government there were serious concerns that the fund – valued at about \$140 million – would be used to shore up state bureaucracies and simply replace existing federal funding.

"We need a seat at this table, along with farmers, to work out the best way that money should be spent," Cr Straub said.

"It is vital that this federal assistance money is used wisely to influence the future – but at the moment we've been left out of the conversation. We're talking about jobs, supporting communities and supporting industry that will come and build in Loddon localities and help keep our communities alive.

"When buy backs have taken place we've seen that jobs are lost, then families are lost, the schools struggle to get kids and everything shuts down and unfortunately communities eventually die.

"We're demanding that we don't get left behind and steamrolled and that we make sure we've got some legacy money to build the infrastructure such as the houses, the roads and the trunk infrastructure for more development to support our communities to really thrive into the future.

"To get this right we need a genuine partnership between the State Government, local government and communities leading to tailored implementation plans for each Basin community."

Drop-in sessions to help customers get set up with new WaterLINE

Goulburn-Murray Water (GMW) is inviting customers to attend upcoming drop-in sessions that will help them use the new version of its online water ordering system WaterLINE. The new version of WaterLINE has been available on the GMW website since November last year. The previous version is no longer supported by the provider.

The new version makes it easier for customers to place and manage their orders and to check their Allocation Bank Account balance. GMW General Manager Water Delivery Services Warren Blyth said the new version had a new map function, clearer visual displays to monitor water flows and order status, and the ability to quickly repeat previous orders.

"We have made a range of additional improvements to this new version over the past several months based on customer feedback," he said.

Extensive consultation and engagement about the new WaterLINE has taken place over the past year. This includes customer testing of the new version as well as numerous drop-in and online sessions to learn more about it.

The old version also ran in parallel with the new version during the 2025/26 irrigation season to provide customers plenty of time to try out the new version, ask questions about it, provide feedback and seek support if needed.

Mr Blyth said with the start of the 2026/27 irrigation season fast approaching, GMW would host a series of drop-in sessions for customers who may like help getting set up with the new version.

"Many customers are already using the new version, however, we encourage customers to come along to any of the sessions, bring their own device, and our staff will help walk you through the new WaterLINE or answer any questions you might have."

The drop-in sessions are being held between 10am and noon at:

Pyramid Hill Friday 14 August Coffee Bank, 36 Kelly Street

Boort Friday 21 August The BRIC Centre, 119-121 Godfrey Street

Kerang Wednesday 5 August GMW Customer Service Centre, 78 Kerang-Koondrook Road

Cohuna Monday 10 August, Cohuna Community Meeting Room, 23 King Edward Street

Water orders can be placed via the new WaterLINE from 10 August, with deliveries starting from 15 August when the 2026/27 irrigation season begins. Customers can log in using their existing username and password, via their bookmark or via the GMW website. The phone ordering system remains available for customers to use via 1300 469 469. More information about the new WaterLINE including how-to videos can be found at: www.gmwater.com.au/waterline

Netball Notes

Minis- The Minis put in a fantastic team performance against B/L Serpentine, showing great team work and sportsmanship throughout the game. The team continued to improve as the match went on. Well done everyone! *Alcharinga Award-* Isla Hamilton. *Lorraine Dingwall Award-* Tobias Wiltshire. *Pyramid Café' Award-* Pheobe Bojo.

13 & Under- A strong start from both teams with excellent pressure and movement down the court, Pyramid got stronger and took the lead. In the second quarter Pyramid came out firing, but Serp's defenders kept the pressure on and made them earn it. They had to work hard to keep the lead. The third quarter seen Pyramid work hard for every goal. Lots of intercepts and defensive pressure helped increase the lead! The fourth quarter Serp fought back, limited our goals, and clawed back to almost even the score. An amazing game girls! Congratulations!

Pyramid Hill 16 def Serp 15

Graeme Hayes Award- Bella Lobb. *Pyramid Store Award-* Lilly Broad. *Stewart Family Farm Award-* Matilda Mowat.

15 & Under- We had a great game against Serp, and came away with a 4- goal win. It was a beautiful sunny day, which made it perfect weather for netball. Both teams played really well and it was a close game the whole way through. We worked hard, kept the pressure on, and managed to finish strong to get the win. It was a great team effort and everyone should be proud of how they played.

Pyramid Hill 22 def Serp 18. *Michell Wool Award-* Emily Dehne. *Coffee Bank Award-* Charlotte Emmerson. *Stewart Family Farm Award-* Ruby Mitchell.

B Reserve- A fantastic team performance, with no Captain BJ, everyone stepped up and played their role. Mikayla and Claire were outstanding in the goal circle, shooting with great accuracy all game. Keeley and Chelsea worked tirelessly through the midcourt, delivering quality feeds and keeping the attack flowing. Our defenders were relentless, with Sarah Marley and Mik Gibson creating plenty of turnovers and plenty of pressure. We made the most of

those opportunities, converting them into goals and building a strong lead. A great all-round team effort and another four points on the board. Well done, girls! Thank -you to Sophie Twigg for helping out the team.

Pyramid Hill 63 def Serp 34.

Victoria Hotel Award- Claire Pickles. *O'Connors Award-* Mikayla Millar.

B Grade- Our B Grade girls came out composed, focused and ready to play. They moved the ball efficiently down the court, creating strong attacking opportunities and rewarding themselves with some fantastic passages of play. The team worked together to reset, making adjustments that kept their momentum going. It was great to see the girls communicate, trust one another, and carry the intensity and effort from the first quarter right through to the final siren. An awesome game to be a part of and an enjoyable performance from everyone. As we head towards the end of the season, it's exciting to see the team continuing to grow and play such consistent netball. Well done, girls. Thank you to Cecily and Jamison, for helping out the team.

Pyramid Hill 55 def Serp 40.

National Hotel Award- Jessica Zimmer.

A Reserve- Knowing that our finals chances could come down to percentage we knew we couldn't take the foot off the gas this week! The girls had a great start, coming off the first quarter with a decent margin, but we wanted more! In the second half we set a goal to get the margin out to 50, the mid court was working the ball down great to our shooters and defence was creating a lot of extra turnovers. All the girls worked really hard, and it was awesome to see the girls all having fun while still playing great netball. Congratulations to Teagan Stewart on her "50 Senior Games" Milestone, playing a game in A Res and A Grade. We appreciate everything you do for the PHFNC. Thank you, and well- done Teags. Thank you Alina for helping out the team.

Pyramid Hill 70 def Serp 21.

Victoria Hotel Award- Lauren Driscoll.

A Grade- The girls started off strong leading to a comfortable lead by half time. Coach Chels was able to test out some new combinations with Darci finding her feet easily in WA and Imo giving GA a crack. Ash and Teags showed their fitness by fitting seamlessly into the mid court after already playing a game beforehand. The defenders had a pearler of a game which ultimately lead to the very convincing win. Great team effort girls! Thank you to Amber Dingwall for all your hard work in organising the Reverse Draw, was a great family night.

Pyramid Hill 55 def Serp 33.

National Hotel Award- Julia Castaing.

Passions and Pathways

Discovering Future Careers

Year 5 and 6 students recently travelled to Bendigo to visit La Trobe University and Bendigo TAFE as part of their Passions & Pathways program. During the visit, students explored a range of career options through interactive activities led by the current university students, learning about the fields such as nursing, paramedicine, criminology, psychology and outdoor education. They also enjoyed a tour of Bendigo TAFE, including a visit to the baking department. It was a fantastic opportunity for students to learn more about the future study pathways and career possibilities.

Netball Success

Fantastic Team Effort

Congratulations to our Year 5 and 6 girls who represented Pyramid Hill College at the netball tournament in Bendigo. The team displayed excellent teamwork, determination and sportsmanship throughout the day, winning five of their six matches. Their outstanding effort earned them a well-deserved second place finish. Well done to everyone involved.
