Football Notes

Coming off a very competitive 2 nd semi-final performance the previous week, the preliminary final effort was in stark contrast. Fortunately, Marong did not fully convert all their first term opportunities when aided by the strong wind, so there was faint hope at the first change. But it meant little in the final wash up. The Bulldogs were simply outplayed. Throughout the constant onslaught Robbie Bartee (Victoria Hotel) worked overtime across halfback as he marked, spoilt and tackled; but more was required to halt Marong charge. Coach Jarrod Fitzpatrick (National Hotel) worked tirelessly and was a spent force at the final siren. Try as they did it was difficult for many Pyramid Hill players exert influence for extended periods of the game. Brodie Carroll was able to win plenty of the ball, but it was quickly rebounded back. Others to flash in and out included Jim Sala, Ryan McGhie, Blake Gibson and Jaden Dick. Despite the gloomy room at game's end there are many positives for our Club, with members, players and supporters ensuring there is always a positive vibe around the "Kennel". Thanks to our volunteers who continued to deliver for our Club; in the canteen, in the bar, timekeeping, managing our scoreboard and social media, organising our Social calendar, welcoming visitors at the gate, cleaning and maintaining our facilities and, preparing the ground and courts. We simply could not do it without your support. To our Sponsors, large, medium, small, also a massive thank you. Finally, thanks to all our trainers and first aid staff and all coaches and their support networks. We all know it would be extremely difficult to continue without your highly valued contributions. The PHFNC Board thank you all and look forward to you back at the Club when we kick off our annual Pre-Season Community Practice Day on Saturday March 20 2026.

Remember, if we arrive home safely, everyone wins.

A message from your local Police officer.

As September marks my second anniversary, I want to say thank you for the ongoing support and encouragement that my family and I continue to receive from this wonderful little town.

I shake my head in disbelief that 2 years have passed, relatively smoothly but very quickly.

While you may not always see my busy periods, I can tell you there has been a few.

This position continues to bring me the most job satisfaction to date, my family and I enjoy living and working with you all.

Firearms Inspections:

Due to the tragic events that unfolded at Bondi in December 2025, firearms and licencing regulations are being closely looked at by governments and regularly spoken about in the media.

As I write this, there have been no changes and no official talk of changes that will affect the current Victorian firearms regulations.

Firearms and storage inspections throughout Victoria have increased to ensure the risk of firearm theft is minimised. Firearm theft I believe, is a real threat to community safety.

There has been numerous firearm and storage inspections completed in the Pyramid Hill area over the past few months with no major issues found.

Speed Changes:

No doubt you will have noticed some changes to the speed limits around our little town.

Many of you raised concerns around traffic coming through town, particularly the speed.

The Pyramid Progress Association and I identified several further issues, and I have been advocating to VicRoads for a Town Speed Review.

In consultation of the Loddon Shire Council and VicRoads, the following changes were approved.

- Durham Ox Road, reduced from 60kmh – 50kmh.
- Barber Street, reduced from 60kmh-50kmh
- Victoria Street, reduced from 60kmh-50kmh
- Leitchville-Pyramid Road, reduced from 100kmh-80kmh from Bullock Creek to Mawsons Quarry.
- Gladfield Road, remains 50kmh past the footy oval.

While opinions will differ regarding these changes, I see this as a way it to keep our townsfolk safer. With the 50kmh area stretching out to include the Bullock Creek bridge, this assists pedestrians of all ages to safely cross Leitchville-Pyramid Road as they journey along current trail to “the hill”.

Whether you’re walking, riding or driving our streets, the reduction in speed significantly lowers the risk of death or serious injury if a vehicle collision were to occur.

A timely reminder entering the school holiday period, that we all play a role in road safety and that our actions while driving have consequences.

Contacting me:

Just a reminder that if you do need Police in an emergency, the best number is **000**.

They will advise if there is a more appropriate way to report something and you won’t get in trouble for calling.

To report a non-urgent crime, the best number is **131 444**, this is the Police Assistance Line, and they will advise me of all reports made, so I can investigate.

For questions, queries or updates on a matter, **(03) 5445 7000** is the Pyramid Hill Police Station number, which also calls my mobile phone and is the best way to contact me.

If I am unable to answer, you will be transferred to Maryborough Police Station where you can leave a message, and I will call you back.

Thanks again for your ongoing support, trust, and partnership.

Stay safe,

Brett VINE

Neighbourhood House News

Hi Neighbours

It's been a busy two weeks. All done with the added degree of difficulty that many of us have - we've all been down with the flu. It's a sticky one, isn't it? This latest flu has had a hold on so many of our team and our community these last few weeks! I am sorry to hear some have ended up in hospital with it as well.

Our renovations are pretty well complete. A great bright lick of Tuscan Gold paint on the walls has ensured that we are all happy - albeit looking a little jaundiced in the golden light.

We are finally able to swing a few cats at a time in our workshop space. It's made a huge difference. Huge. Massive. All in time for our School Holidays!

There are a few workshops and events coming up you can book in to attend in October.

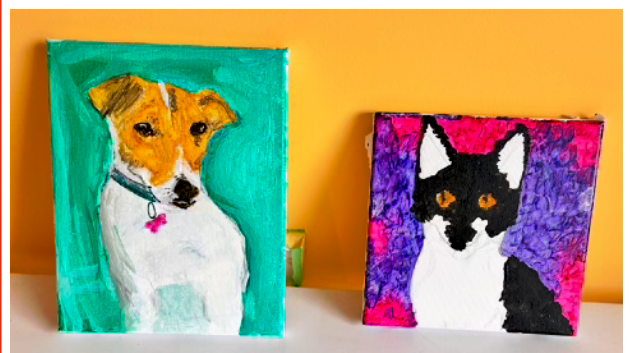

There will be more added to the calendar - now we have the brakes off - with WHAT we can do in the new space!

Team - we are looking for a new CLEANER to come and join us. It will be a regular booking - fortnightly for two hours at a time. IF you you are interested - or know someone who has some time to spare and could take up the cleaning role - please get them to contact myself or Lizzie!

[I bought a new Shark vacuum on the weekend!]

Hmm.

Also wanted to let you all know that Dr Ziggy is back on track. She's 100% again!

We've got Paint your Pet! Coming up as part of the school hols.. as well as the STEM Un-Making Club!

Book your kiddos in for these fun programs during the school holidays!

Bowls Notes:

THANK YOU, one and all who spent many, or few, hours getting our venue spruced up in readiness for the State Women's Country Carnival, and also working to cater for every need during the day. The facility looked amazing and the catering was top class. Your time, effort and willingness to pitch in helped make the day such a great success.

Special mention to Joe (and crew) who worked almost daily not just on the greens but doing other jobs as well. To the catering team, with Kate at the helm and totally organised, your reward was in the positive commentary from the players.

Thanks so much to Tony who volunteered his time to try to problem solve the myriad of issues with the live scoring. Behind the scenes there were many others who assisted in unmentioned ways. We were steeped with praise from our visiting bowlers who expressed their delight in their Pyramid Hill experience.

Well done! Great work!

Your imprint has been significant in promoting both our Club and our town. A big pat on the back all round!
